Lowells Promise:

The Lowells of Massachusetts Nina Sankovitch, 2024-06-04 A stirring saga of a New England family Sankovitch has made a compelling contribution to Massachusetts and American history Roger Lowenstein The Wall Street Journal The Lowells of Massachusetts were a remarkable family They were settlers in the New World in the 1600s revolutionaries creating a new nation in the 1700s merchants and manufacturers building prosperity in the 1800s and scientists and artists flourishing in the 1900s For the first time Nina Sankovitch tells the story of this fascinating and powerful dynasty in *The Lowells of Massachusetts* Though not without scoundrels and certainly no strangers to controversy the family boasted some of the most astonishing individuals in America's history Percival Lowell the patriarch who arrived in America in the seventeenth century to plant the roots of the family tree Reverend John Lowell the preacher Judge John Lowell a member of the Continental Congress Francis Cabot Lowell manufacturer and some say founder of the Industrial Revolution in the US James Russell Lowell American Romantic poet Lawrence Lowell one of Harvard's longest serving and most controversial presidents and Amy Lowell the twentieth century poet who lived openly in a Boston Marriage with the actress Ada Dwyer Russell The Lowells realized the promise of America as the land of opportunity by uniting Puritan values of hard work community service and individual responsibility with a deep seated optimism that became a well known family trait Long before the Kennedys put their stamp on Massachusetts the Lowells claimed the bedrock By the final pages of this volume one feels deeply attached to the individual Lowells while also exhilarated at having experienced this grand sweep of American history

Charlotte Gordon The Washington Post **Self-Made Women in the 1920s United States** Matthew Niven Teorey, 2022-05-16 Women of the 1920s led a revolt against the old standards of womanhood that were dominating US culture Flappers and feminists they spoke and acted out inspiring other women to follow This book analyzes the work of eleven important 1920s female authors who chronicled this revolt Anzia Yezierska Anita Loos Mae West Josephine Lovett Nella Larsen Mourning Dove Djuna Barnes Amy Lowell Gertrude Stein Bessie Smith and Dorothy Parker These trailblazers wrote counter narratives to the sexism racism classism and homophobia women faced during the Jazz Age The author brings their novels poems plays film scenarios and blues lyrics into conversation with each other for the first time to show different approaches female readers could take to become autonomous individuals and full citizens The works also encouraged readers to maintain supportive relationships with other progressive women The author argues these works presented female readers with examples of how they could act individually and collectively to attain the political power social status economic independence sexual freedom and artistic recognition they deserved *Cleanth Brooks and the Rise of Modern Criticism* Mark Royden Winchell, 1996 During a career that spanned sixty years Cleanth Brooks was involved in most of the major controversies facing the humanities from the 1930s until his death in 1994 He was arguably the most important American literary critic of the mid twentieth century Because it is impossible to understand modern literary criticism apart from

Cleanth Brooks or Cleanth Brooks apart from modern literary criticism Mark Royden Winchell gives us not only an account of one man's influence but also a survey of literary criticism in twentieth century America More than any other individual Brooks helped steer literary study away from historical and philological scholarship by emphasizing the autonomy of the text He applied the methods of what came to be called the New Criticism not only to the modernist works for which these methods were created but to the entire canon of English poetry from John Donne to William Butler Yeats In his many critical books especially *The Well Wrought Urn* and the textbooks he edited with Robert Penn Warren and others Brooks taught several generations of students how to read literature without prejudice or preconception *The Nature of Sacrifice* Carol Bundy,2005-04-13 In this remarkable work Bundy draws on a wealth of family papers and public archives for her vivid portrayal of a privileged young Yankee who became a battle hardened soldier and revered officer **Lady Sparrow** Barbara Metzger,2012-03-13 From one of the shining stars of Signet Regency Romance comes Barbara Metzger's engaging tale of scandals and secrets and the risks of romance Heiress Minerva Caldwell is alarmed to find that her late husband had a lot to hide including a slew of affairs and a dozen illegitimate children With the help of handsome Lord Lowell she vows to find the by blows and help them should they be living in poverty But she soon makes a startling discovery about her own past that could put her life and most certainly her heart at risk When it's Barbara Metzger it's Regency romance at its finest and funniest Publishers Weekly **Upside Down** Andrew Grey,2014-08-15 Sequel to *Inside Out* Bronco's Boys Book Two Lowell Cartwright's life as a mercenary problem solver has taken its toll and after one more difficult job he wants out For help he turns to Bull a soldier of fortune turned club owner not exactly a friend but the best chance Lowell has He visits Bull's club to scope it out and meets Jeremy Hodgson The twink captures his attention in a big way Bull tells Lowell to stay away from the club until he decides whether he can help so Lowell stays in town When he spots Jeremy passed out on the floor of a convenience store he goes to Jeremy's aid Lowell piques Jeremy's interest immediately pushing all the right buttons Then when Jeremy needs help Lowell's kindness turns interest into something more But trouble comes knocking when Jeremy's place is bugged Maybe Lowell's past is catching up to him or maybe the danger centers on Jeremy's roommate Tristan's mysterious boyfriend Whatever the source of the problem the future Lowell and Jeremy hope for doesn't stand a chance unless they can find a way to protect themselves *Lowell National Park, Archeological Salvage, and PADC* United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Parks and Recreation,1978 **Robert Penn Warren:** Mark Royden Winchell,2023-12-15 At least since the dawn of the Romantic era it has been assumed that the poet lives a lonely life isolated in his garret Nevertheless writers are not always hermits and misanthropes As human beings they crave the company of other human beings as artists they need the stimulation of other artists This book brings to light Warren's most important literary associations during his long and active life *Robert Lowell's Imitations and the Cold War* Simon van Schalkwyk,2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the

liberal mode of translational adaptation known as imitation Robert Lowell's *Imitations* and the Cold War argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused solely on *Imitations* 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections *Land of Unlikeness* 1944 and *Lord Weary's Castle* 1946 through his celebrated mid career collections *Life Studies* 1959 and *For the Union Dead* 1964 and to later works such as *Near the Ocean* 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology *Poets on Street Corners* 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood

The Cultural Work of the Late Nineteenth-Century Hostess S. institutions ranging from the Organization of Boston Charities to London's Royal College of Music *Warren, Jarrell, and Lowell* Joan Romano Shifflett, 2020-06-03 Robert Penn Warren Randall Jarrell and Robert Lowell maintained lifelong well documented friendships with one another often discussing each other's work in private correspondence and published reviews Joan Romano Shifflett's *Warren Jarrell and Lowell Collaboration in the Reshaping of American Poetry* traces the artistic and personal connections between the three writers Her study uncovers the significance of their parallel literary development and reevaluates dominant views of how American poetry evolved during the mid twentieth century Familiar accounts of literary history most prominently the celebration of Lowell's *Life Studies* as a revolutionary breakthrough into confessional poetry have obscured the significance of the deep connections that Lowell shared with Warren and Jarrell They all became quite close in the 1930s with the content and style of their early poetry revealing the impact of their mentors John Crowe Ransom and Allen Tate whose aesthetics the three would ultimately modify and transform The three poets achieved professional maturity and success in the 1940s during which time they relied on one another's honest critiques as they experimented with changes in subject matter and modes of expression Shifflett shows that their works of the late 1940s were heavily influenced by Robert Frost This period found Warren Jarrell and Lowell infusing ostensibly simple verse with multifaceted layers of meaning capturing the language of speech in diction and rhythm and striving to raise human experience to a universal level During the 1950s the three poets became public figures producing major works that addressed the nation's postwar need to reconnect with humanity Warren Jarrell and Lowell continued to respond in interlocking ways throughout the 1960s with each writer using innovative stylistic techniques to create a colloquy with readers that directed attention away from superficial matters and toward the important work of self reflection Drawing from biographical materials and correspondence along with detailed readings of many poems Warren Jarrell and Lowell offers a compelling new perspective on the shaping of twentieth century American poetry **These Tangled Threads (Bells of Lowell Book #3)** Tracie Peterson, Judith Miller, 2003-10-01 Book 3 of *Bells of Lowell* Timid yet alluring Daughtie Winfield finds herself in a precarious position when the new doctor casts his favor upon her Though flattered by his attention she is drawn to Liam Donohue a local Irish artisan As Daughtie and Liam work together to help runaway slaves their friendship blossoms But her work in the mills is threatened when a downturn in profits causes the Associates to decrease wages resulting in plans for a strike With the fate of the textile industry in an upheaval will her hopes for love be thwarted as dissension infiltrates life in Lowell **James Russell Lowell** Ferris Greenslet, 1905 *Mind Amongst the Spindles: a Selection from the Lowell Offering*, 1845 **The Pattern of Her Heart (Lights of Lowell Book #3)** Tracie Peterson, Judith Miller, 2005-09-01 *Lights of Lowell* Book 3 When tragedy strikes Jasmine Houston must uproot her family from the Northern mill town of Lowell and take over her family's Southern plantation The Willows But upon her arrival her anti slavery positions cause strife between Jasmine and her neighbors and relatives Tensions continue to rise until an
