Garrison, 2012-02-14 Paul Janson a character first featured in Robert Ludlum's bestselling novel The Janson Directive has a new goal save the world one operative one mission one redemption at a time Reformed from his days of covert operations Paul Janson has set a new mission for himself Working in partnership with champion sharpshooter Jessica Kincaid he rehabilitates disenchanted agents and helps them create new lives outside of the violent intelligence sector These former operatives then form a network of support for Janson when it comes to his other job Janson also takes on independent assignments For a fee he'll use his skills to resolve international crises But only those actions that he believes contribute to the greater good of all Whether he's rescuing an American doctor from Somali pirates attacking militant thugs intent on murdering a West African public servant agitating for human rights or hunting the money lenders who capitalize on barbaric civil war Janson stays honest with three simple rules 1 No torture 2 No civilian casualties 3 No killing anyone who doesn't try to kill them Yet with his commitment to doing what is right while facing canny intelligence operatives ruthless warlords deep sea marauders or brutal dictators Janson finds that his most difficult task is figuring out if he's fighting for the good side
