Managing The Academic Enterprise Case Studies For Deans And Provosts:

Managing the Academic Enterprise Elwood B. Ehrle, John Beecher Bennett, 1988 *Women Administrators in Higher Education* Jana Nidiffer, Carolyn Terry Bashaw, 2001-01-04 Shows the tenacious spirit and hard work of women administrators in their struggles to enhance opportunities for women on college campuses **Resources in Education**, 1988-12 **The Essential Academic Dean** Jeffrey L. Buller, 2007-11-09 The role of an academic dean is extremely complex involving budgeting community relations personnel decisions managing a large enterprise mastering numerous details fundraising and guiding a school or college toward a compelling vision for the future But no academic dean can quickly master all of the intricacies involved in this challenging position For instance how do you build support for a shared vision of your unit s future How do you interact effectively with all of the different internal and external constituencies that a dean must serve How do you set supervise and implement a budget How do you handle the volume of documents that cross your desk How do you fire someone ask a chair to step down respond to a reporter on the telephone and settle disputes about intellectual property rights How do you know when it s time to consider leaving your current position for another opportunity The Essential Academic Dean is about the how of academic leadership Based on a series of workshops given by the author on college administration and management each topic deals concisely with the most important information deans need at their fingertips when faced with a particular challenge or opportunity Written both as a comprehensive guide to the academic deanship and as a ready reference to be consulted when needed this book emphasizes proven solutions over untested theories and stresses what deans need to know now in order to be most successful as academic leaders **How the University Works** Marc Bousquet, 2008 Uncovers the labor exploitation occurring in universities across the country As much as we think we know about the modern university very little has been said about what it s like to work there Instead of the high wage high profit world of knowledge work most campus employees including the vast majority of faculty really work in the low wage low profit sphere of the service economy Tenure track positions are at an all time low with adjuncts and graduate students teaching the majority of courses This super exploited corps of disposable workers commonly earn fewer than 16 000 annually without benefits teaching as many as eight classes per year Even undergraduates are being exploited as a low cost disposable workforce Marc Bousquet a major figure in the academic labor movement exposes the seamy underbelly of higher education a world where faculty graduate students and undergraduates work long hours for fast food wages Assessing the costs of higher education s corporatization on faculty and students at every level How the University Works is urgent reading for anyone interested in the fate of the university *Managing in an Academic Health Care Environment* William F. Minogue, 1992 The Publishers' Trade List Annual, 1991 National Legal Bibliography, 1988 **The Encyclopedia of Higher Education: Analytical perspectives** Burton R. Clark, 1992 V 1 National systems of higher education v 2 3 Analytical perspectives v 4 Academic disciplines and indexes **Higher Education and National**
