About the Book Hasta Ma ana tells the story of Border Patrol Agent Myriam Valencia s search for the drug smuggler who gave her son drugs that killed him while also addressing illegal immigration and the difficult task of patrolling the southwestern border While this timeless story is based on things that could happen it also highlights the story of an adolescent mother who had to first raise herself and who had to make the hard decisions about the needs and responsibilities of her child and her parental rights In the end she must choose between friendship and justice

Critically acclaimed author Carolyn Wilkerson wishes you the reader to take away an authentic depiction of reality and its many diverse interpretations as it currently exists on all sides of border migration management issues considering their inextricably intertwined social cultural and economic factors

About the Author Although Wilkerson has used her writing skills to author professional documents she notes that she was shy by nature and a closet writer of fiction and poetry for many years Writing is a way Wilkerson liberated her thoughts from her head even when no one read them but her Writing helped her to absorb the grief of losing her father at age twelve her mother two weeks after her sixteenth birthday and writing poetry helped her to deal with the anxiety of living in Washington D C during the late 1960 s riots Writing was also an affordable therapy when her marriage fizzled after just three years Wilkerson published articles and a biweekly newspaper column in what seems like another lifetime Since most beginning writers don t have a predictable income and she was raising a young child without child support that career path was not an option Now her son a retired U S Federal Agent is helping her to fulfill a dream deferred Wilkerson encourages others who have had to make practical choices in years past to revisit their childhood dreams inspiring others to embrace the passion that might still be there under the cocoon like layers of life that got in the way just waiting for a breath of fresh perspective to unfurl their wings

*Hasta Ma ana* is a fast moving and exciting thriller novel with great characters and a story where the line between the bad guys and good guys is crossed as often as the U S border Wilkerson accurately portrayed my experience of working as a Border Patrol Agent while keeping me entertained the whole way with each chapter drawing me to the next leading to an unexpected conclusion

**Mañana in Cuba** José Azel,Jos Azel,2010 *Ma ana in Cuba* is a comprehensive analysis of contemporary Cuba with an incisive perspective of the Cuban frame of mind and its relevancy for Cuba s future Part one of the book critically explores the mindset Cubans have developed living under a totalitarian system and introduces modern concepts of choice architecture and governance that can be employed *Ma ana in Cuba* to foster a democratic civil society Part two turns to a discussion of the principles that should guide sociopolitical and economic transition policies in line with Cuban culture and history *Ma ana in Cuba* offers a sophisticated analysis of the challenges and opportunities that will be present in post Castro Cuba with an eye to intelligent nuanced and often outside the box solutions to aid business and government policymakers interested in Cuba s future A unique aspect of this book is that it does not seek to unnaturally mend a decimated civil society but rather it offers policy approaches anchored on current Cuban ethos and society This is a book about finding ways to facilitate the Cuban transition from totalitarianism and a centrally planned economy to liberal democracy and a free market economic system As the author argues the alternative visions presented for Cuba s future matter because one of them will crystallize into the sociopolitical and economic narrative of the country for generations to come
