Mañana En La Batalla Piensa En Mi Bolsillo:

Mañana en la batalla piensa en mí Javier Marías, 2011-04-06 Una intensa narración sobre asuntos que nos ata en a todos sobre el ocultamiento los hechos y las intenciones sobre el actuar sin saber y la voluntad que casi nunca se cumple sobre la negación de las personas que una vez quisimos y el olvido y la indecisión sobre la despedida y también sobre el engaño. La hechizante primera frase de esta novela ya dice mucho quiz demasiado. Nadie piensa nunca que pueda ir a encontrarse con una muerta entre los brazos y que ya no verás su rostro cuyo nombre recuerda. Esto es lo que ocurre al narrador Víctor Francés guionista de televisión y negro escritor fantasma encargado de redactar los discursos de la gente importante e ignorante. Recientemente divorciado es invitado a cenar a su casa por Marta Tellez mujer casada cuyo marido está de viaje y madre de un niño o de dos a os. Tras la cena galante el hombre y la mujer pasan al dormitorio donde a medio vestidos y medio desvestidos ella empieza a sentirse mal hasta que agoniza y muere en una escena sobrecogedora. Esta infidelidad no consumada se convierte así en una especie de encantamiento con problemas bien reales e inmediatos que hacer con el cadáver avisar o no avisar qué hacer respecto al marido qué hacer con el niño dormido qué diferencia hay entre la vida y la muerte. Reseñas. Quien tiene la fortuna de entrar en las páginas de *Mañana en la batalla piensa en mí* ya no vuelve a salir. De no perderse en modo alguno *Corriere della Sera*. *Mañana en la batalla piensa en mí* es decididamente el libro más hermoso compuesto por un autor contemporáneo Pietro Citati *La Repubblica*. Provocativa y hermosamente escrita. Booklist. La narración fluye como un thriller psicológico con interludios cómicos y macabros. El narrador lo maneja como un maestro de habilidad y de ambigüedad. The Independent on Sunday. Una historia seductora. Un thriller metafísico. The Observer. Pone de manifiesto la madurez y la maestría de un novelista que ha creado un mundo propio al otro lado de lo biográfico. *Süddeutsche Zeitung*

Mañana en la batalla piensa en mí / Tomorrow in the Battle Think on Me Javier Marías, 2012-10-02 *Mañana en la batalla piensa en mí* nos habla sobre el ocultamiento y el olvido y sobre el engaño que quiz es nuestra condición natural. Víctor Francés un escritor frustrado que presta su pluma a otros es invitado a cenar a casa de Marta Tellez una hermosa mujer casada a la que apenas conoce y cuyo marido está de viaje en Londres. La noche promete pero antes de poder consumar el adulterio Marta comienza a sentirse mal y muere. Víctor huye entonces de esa casa ajena dejando a un niño o de dos a os durmiendo en una de las habitaciones y a una mujer muerta. Su reacción y esa infidelidad no consumada lo obsesionan. En un Madrid invernal y nocturno el narrador se convertirá desde ese momento en una sombra que finge ser quien no es que disimula sus intenciones que no quiere ni busca nada pero sin embargo encuentra. Y entretanto una maldición va resonando. *Mañana en la batalla piensa en mí* y caiga tu espada sin filo desespera y muere.

Disremembering the Dictatorship, 2021-08-04 Most accounts of the Spanish transition to democracy have been celebratory exercises at the service of a stabilizing rather than a critical project of far reaching reform As one of the essays in this volume puts it the pact of oblivion which characterized the Spanish transition to democracy curtailed any serious attempt to address the legacies of authoritarianism that the new democracy inherited from the Franco era As a result those legacies pervaded public discourse even in newly created organs of opinion As another contributor argues the Transition was based on the erasure of memory and the invention of a new political tradition On the other hand memory and its etiolation have been an object of reflection for a number of film directors and fiction writers who have probed the return of the repressed under spectral conditions Above all this book strives to present memory as a performative exercise of democratic agents and an open field for encounters with different possibly divergent and necessarily fragmented recollections The pact of the Transition could not entirely disguise the naturalization of a society made of winners and losers nor could it ensure the consolidation of amnesia by political agents and by the tools that create hegemony by shaping opinion Spanish society is haunted by the specters of a past it has tried to surmount by denying it It seems unlikely that it can rid itself of its ghosts without in the process undermining the democracy it sought to legitimate through the erasure of memories and the drowning of witnesses voices in the cacaphony of triumphant modernization
