and starting what would become the Church of Jesus Christ of Latter day Saints He built temples founded a city state in Illinois ran for president and married more than thirty women This self made prophet thrilled his followers with his grand vision of peace and unity but his increasingly grandiose plans tested and sometimes shattered their faith In this vivid biography John G Turner presents Smith as a consummate religious entrepreneur and innovator a man both flawed and compelling He sold books land and merchandise And he relentlessly advanced doctrines that tapped into anxieties about the nature and meaning of salvation the validity of miracles the timing of Christ s second coming and the persistence of human relationships for eternity His teachings prompted people to gather into communities evoking fierce opposition from those who saw those communities as theocratic threats to republicanism With insights from newly accessible diaries church records and transcripts of sermons Turner illuminates Smith s stunning trajectory from his beginnings as an uneducated impoverished farmhand to his ultimate fall at the hands of a murderous mob revealing how he forged a religious tradition that has resonated with millions of people in the United States and beyond [The Essential Books of Mormons - Complete Collection](#) William Alexander Linn,John Taylor,Joseph Fielding Smith,Wilford Woodruff,James E. The Saints and the State James Simeone,2021-05-05 A compelling history of the 1846 Mormon expulsion from Illinois that exemplifies the limits of American democracy and religious tolerance When members of the Church of Jesus Christ of Latter day Saints known as Mormons settled in Illinois in 1839 they had been persecuted for their beliefs from Ohio to Missouri Illinoisans viewed themselves as religiously tolerant egalitarians and initially welcomed the Mormons to their state However non Mormon locals who valued competitive individualism perceived the saints western Illinois settlement Nauvoo as a theocracy with too much political power Amid escalating tensions in 1844 anti Mormon vigilantes assassinated church founder Joseph Smith and his brother Hyrum Two years later the state expelled the saints Illinois rejected the Mormons not for their religion but rather for their effort to create a self governing state in Nauvoo Mormons put the essential aspirations of American liberal democracy to the test in Illinois The saints inward group focus and their decision to live together in Nauvoo highlight the challenges strong group

consciousness and attachment pose to democratic governance The Saints and the State narrates this tragic story as an epic failure of governance and shows how the conflicting demands of fairness to the Mormons and accountability to Illinois s majority became incompatible *The Saturday Review of Politics, Literature, Science and Art* ,1889 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1889 *Irish Mormons* Hazel O'Brien,2023-06-06 The Church of Jesus Christ of Latter day Saints is one of the international religions that have arrived from abroad to find adherents in Ireland Drawing on fieldwork in two LDS communities Hazel O Brien explores how these adherents experience the Church in Ireland against the backdrop of the country s increasingly complex religious identity Irish Latter day Saints live on the margins of the nation s religious life and the worldwide LDS movement Nonetheless they create a sense of belonging for themselves by drawing on collective memories of both their Irishness and their faith As O Brien shows Irish Latter day Saints work to shift the understanding of Ireland s religious landscape away from a predominant focus on Roman Catholicism They also challenge Utah based constructions of Mormonism in order to ensure their place in the Church s powerful religious and cultural lineage Examining the Latter day Saint experience against one nation s rapid social and religious changes Irish Mormons blends participant observation and interviews with analysis to offer a rare view of the Latter day Saints in contemporary Ireland **The Most Important Scriptures of Mormons** Joseph Smith Jr.,Brigham Young,James E.
