Money changes everything especially in politics Politicians think tanks and political parties would not be where they are without monetary gifts Yet when it comes to celebrating donors the media often praise liberals for their selfless giving and criticize conservatives for their selfish hoarding But Ron Robinson and Nicole Hoplin leaders of Young America's Foundation set the record straight in Funding Fathers The Unsung Heroes of the Conservative Movement Part historical account of the conservative movement and part expos about political philanthropy Funding Fathers busts the myth that conservatives donate less money than democrats and exposes how the media liberal organizations and even conservatives perpetuate this lie In Funding Fathers Robinson and Hoplin reveal How conservative donors have had as much influence on the conservative movement as people like Ronald Reagan and William F Buckley Jr Why anonymous donations can do more harm than good to the conservative movement How donations benefiting conservative ideas are often misappropriated at universities across the U S How conservative politicians and organizations use donations more efficiently than liberals Money matters But it is not the size of the donation that counts it is the impact it makes Funding Fathers shows how the unsung heroes of the conservative movement have not only influenced the past but also how they continue to shape the future Labor in the Time of Trump Jasmine Karrissey, Eve Weinbaum, Clare Hammonds, Tom Juravich, Dan Clawson, 2020-01-15 Labor in the Time of Trump critically analyzes the right wing attack on workers and unions and offers strategies to build a working class movement While President Trump's election in 2016 may have been a wakeup call for labor and the Left the underlying processes behind this shift to the right have been building for at least forty years The contributors show that only by analyzing the vulnerabilities in the right wing strategy can the labor movement develop an effective response Essays in the volume examine the conservative upsurge explore key challenges the labor movement faces today and draw lessons from recent activist successes Contributors Donald Cohen founder and executive director of In the Public Interest Bill Fletcher Jr author of Solidarity Divided Shannon Gleeson Cornell University School of Industrial and Labor Relations Sarah Jaffe co host of Dissent Magazine's Belabored podcast Cedric Johnson University of Illinois at Chicago Jennifer Klein Yale University Gordon Lafer University of Oregon's Labor Education and Research Center Jose La Luz labor activist and public intellectual Nancy MacLean Duke University MaryBe McMillan President of the North Carolina state AFL CIO Jon Shelton University of Wisconsin Green Bay Lara Skinner The Worker Institute at Cornell University Kyla Walters Sonoma State University An Independent Judiciary American Bar Association.
