Spencer,2021-04-15 Rebecca Smally knows that she has a complex family history In some ways it s typical of the American melting pot with ancestors who came from England and Germany at the turn of the century looking for new opportunities and a different life But in other ways they are anything but typical a close knit clan shielding explosive family secrets from generation to generation Rebecca is determined to not only embrace her family s proud heritage but also learn what really happened From the awestruck hope of Ellis Island to the pride of becoming US citizens from the lonely courage of establishing homesteads in the Midwest to embracing the community and caring of the church from bonds of love to the burdens of shared secrets Lake of the Cedars is a multi generational American family saga that will keep you enthralled

Mandy's Legacy Barbara Blanchard Coley,2012-06 **Abandoned but Not Alone** Grace Reacher,2023-02-09 Gracie came out of the womb giggling Well she might as well have She was born happy optimistic and always giggling so much so that her nickname was Giggles Her joy was infectious and she made it her mission to put a smile on everyone s face As a kid whenever she saw someone sad she would dance sing do somersaults jump up and down and be silly anything it took to get a smile Gracie and her older brother thought they had the most cool parents that they loved so much Her happy place was being with her family and pretending they lived in one of her favorite fairy tales As a happy innocent child that focused on making people smile naturally she would not notice adult issues that were going on behind the scenes Suddenly while she

wasn't looking her whole world unraveled and fell apart overnight Abandoned but Not Alone tells the true story about a little girl that lost her pure innocent joy when she was suddenly abandoned by someone she loved and idolized crumbling her perfect family dream Discover how the error of shouldering the blame for this incident as a child shaped her life and all of her relationships Gracie would spend the next fifty years fighting the uphill battles of trusting others with her heart loving others letting them love her and trying to control relationships in her life Enjoy traveling through her story and seeing how she found hope healing and happiness along the way and how she finally learned the meaning of true love Her prayer is that her story will encourage and inspire you to find healing hope and happiness in your experience with abandonment
