Manet A Visionary Impressionist:

Manet Henri Lallemand,1994 The history of Impressionism could not have written without him but Edouard Manet s art is scarcely representative of the style His oeuvre was modern and singular provocative and challenging and easily distinguished from his contemporaries This volume celebrates his life and work and is illustrated with 139 full color reproductions

Manet and Modern Beauty Gloria Groom,2019-06-25 This stunning examination of the last years of Edouard Manet s life and career is the first book to explore the transformation of his style and subject matter in the 1870s and early 1880s The name Manet often evokes the provocative heroically scaled pictures he painted in the 1860s for the Salon but in the late 1870s and early 1880s the artist produced quite a different body of work stylish portraits of actresses and demimondaines luscious still lifes delicate pastels intimate watercolors and impressionistic scenes of suburban gardens and Parisian caf s Often dismissed as too pretty and superficial by critics these later works reflect Manet s elegant social world propose a radical new alignment of modern art with fashionable femininity and record the artist s unapologetic embrace of beauty and visual pleasure in the face of death Featuring nearly three hundred illustrations and nine fascinating essays by established and emerging Manet specialists a technical analysis of the late Salon painting Jeanne Spring a selection of the artist s correspondence a chronology and more Manet and Modern Beauty brings a diverse range of approaches to bear on a little studied area of this major artist s oeuvre
