Rose, 2020-10-30 To date the history of military and war has focused predominantly on men as historical agents disregarding gender and its complex interrelationships with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of war and the military and were transformed by them Covering the major periods in warfare since the seventeenth century the Handbook focuses on Europe and the long term processes of colonization and empire building in the Americas Asia Africa and Australia Thirty two essays written by leading international scholars explore the cultural representations of war and the military war mobilization and war experiences at home and on the battle front Essays address the gendered aftermath and memories of war as well as gendered war violence Essays also examine movements to regulate and prevent warfare the consequences of participation in the military for citizenship and challenges to ideals of Western military masculinity posed by female gay and lesbian soldiers and colonial soldiers of color The Oxford Handbook of Gender War and the Western World since 1600 offers an authoritative account of the intricate relationships between gender warfare and military culture across time and space **Making War**

on Bodies Baker Catherine Baker, 2020-03-02 This vibrant collection of essays reveals the intimate politics of how people with a wide range of relationships to war identify with and against the military and its gendered and racialised norms It synthesises three recent turns in the study of international politics aesthetics embodiment and the everyday into a new conceptual framework This helps us to understand how militarism permeates society and how far its practices can be re appropriated or even turned against it *The Politics of Gender* Yoke-Lian Lee, 2010-10-18 This new title in the Politics of series addresses the major theme of the politics of gender Chapters on a variety of issues contributed by experts in the field of gender include Human Trafficking and EU Law Gender in International Relations the Gender Politics of Philosophy Political Theory the Construction of Masculinity in Hollywood Movies the Politics of Law and the Politics of Mainstreaming Gender in the Peace and Security Agenda of the African Union An A Z glossary offers supplementary information on key terms with entries including abortion Commission on the Status of Women ecofeminism equal access human rights migration population control and sex tourism **Gendered Peace** Donna Pankhurst, 2012-07-26 This volume contributes to the growing literature

on women conflict and peacebuilding by focusing on the moments after a peace accord or some other official ending of a conflict often denoted as post conflict or post war Such moments often herald great hope for holding to account those who committed grave wrongs during the conflict and for a better life in the future For many women both of these hopes are often very quickly shattered in starkly different ways to the hopes of men Such periods are often characterized by violence and insecurities and the official ending of a war often fails to bring freedom from sexual violence for many women Within such a context efforts on the part of women and those made on their behalf to hold to account those who commit crimes against them and to access their rights are difficult to make are often dangerous and are also often deployed with little effect Gendered Peace explores international contexts and a variety of local ones in which such struggles take place and evaluates their progress The volume highlights the surprising success in the development of international legal advances for women but contrasts this with the actual experience of women in cases from Sierra Leone Rwanda South Africa Afghanistan Bangladesh East Timor Peru Central America and the Balkans

Women, Reconciliation and the Israeli-Palestinian Conflict Giulia Daniele, 2014-04-16 Women Reconciliation and the Israeli Palestinian Conflict explores the most prominent instances of women's political activism in the occupied Palestinian territories and in Israel focussing primarily on the last decade By taking account of the heterogeneous narrative identities existing in such a context the author questions the effectiveness of the contributions of Palestinian and Israeli Jewish women activists towards a feasible renewal of the peace process founded on mutual recognition and reconciliation Based on feminist literature and field research this book re problematises the controversial liaison between ethno national narratives feminist backgrounds and women's activism in Palestine Israel In detail the most relevant salience of this study is the provision of an additional contribution to the recent debate on the process of making Palestinian and Israeli women activists more visible and the importance of this process as one of the most meaningful ways to open up areas of enquiry around major prospects for the end of the Israeli Palestinian conflict Tackling topical issues relating to alternative resolutions to the Israeli Palestinian conflict this book will be a valuable resource for both academics and activists with an interest in Middle East Politics Gender Studies and Conflict Resolution
