[The Spirit of the Stuyvesant](#) KENNETH C. HINE (SR.), Kenneth C Hine, Sr, 2024-06-08 This book is not your traditional ghost story It is a piece about an actual event that occurred in the Stuyvesant Apartments in the early 1930s within the burgeoning borough of Manhattan in New York This particular apartment complex drew artists of all kinds including painters musicians composers and entertainers The protagonist in our book was a Broadway performer from Boston whose talent gained the attention of producers of Broadway musicals He was a

tremendous star in Beantown and everything indicated that his star would continue to ascend in the bright lights of the biggest city in the young nation However life horrifically got in the way and the Stuyvesant Apartments did not become famous for being the home of this handsome talented actor dancer and singer Instead it became well known for something much darker due to the destiny of this Broadway star with unlimited potential If he did not carve the crooked path he did leading to a unique fate we may be discussing him today amongst the likes of Maurice Chevalier James Cagney and Fred Astaire But it was not meant to be And why that never came to fruition is the heart of our story It tells the true account of William Gustafson and his family Then the book jumps 20 years into the future to examine the disturbing experiences of the Myles family a single mother and young daughter who took residence in the same apartment unit that the Gustafsons occupied Again this book is based on real facts that my research of the Stuyvesant produced thorough police records and newspaper articles I hope you enjoy this twisting tale of a caustically blessed man and the people who were affected by his life
