

# Mannequins Ball

**Jarka M. Burian**

## **Mannequins Ball:**

**The Mannequins' Ball** Bruno Jasiński, 2000 This play by Futurist poet Bruno Jasiński is an outstanding example of the joining of left wing politics and avant garde interest in human mechanization that characterized the experimental theatre of Poland in the inter war years Stalinism and the purges cut short Jasiński's career and prevented productions of his play for many years except for a brilliant constructivist staging in Prague in 1933 The Mannequins Ball can now take its place along with Capek's R U R as one of the major twentieth century dramas making use of the themes and techniques of human automata Reproduced in this volume are the eight woodcuts by Moor which accompanied the original Moscow publication in 1931

**The Mannequins' Ball** Daniel Gerould, Bruno Jaslenski, 2014-07-16 This play by Futurist poet Bruno Jasiński is an outstanding example of the joining of left wing politics and avant garde interest in human mechanization that characterized the experimental theatre of Poland in the inter war years Stalinism and the purges cut short Jasiński's career and prevented productions of his play for many years except for a brilliant constructivist staging in Prague in 1933 The Mannequins Ball can now take its place along with Capek's R U R as one of the major twentieth century dramas making use of the themes and techniques of human automata Reproduced in this volume are the eight woodcuts by Moor which accompanied the original Moscow publication in 1931

*The Mannequins' Ball* Bruno Jasieński, 1998-11-01 **The Mannequins' Ball** Bruno Jasiński, 2013 *Pinocchio's Progeny* Harold B. Segel, 1995 While Carlo Collodi's internationally revered Pinocchio may not have been the single source of the modernist fascination with puppets and marionettes the book's appearance on the threshold of the modernist movement heralded a new artistic interest in the making of human likenesses And the puppets marionettes and other forms that figure so vividly and provocatively in modernist and avant garde drama can according to Harold Segel be regarded as Pinocchio's progeny Segel argues that the philosophical social and artistic proclivities of the modernist movement converged in the discovery of an exciting new relevance in the puppet and marionette Previously viewed as entertainment for children and fairground audiences puppets emerged as an integral component of the modernist vision They became metaphors for human helplessness in the face of powerful forces from Eros and the supernatural to history industrial society and national myth Dramatists used them to satirize the tyranny of bourgeois custom and convention to deflate the arrogance of the powerful and to breathe new life into a theater that had become tradition bound and commercialized Pinocchio's Progeny offers a broad overview of the uses of these figures in European drama from 1890 to 1935 It considers developments in France Spain Italy Austria Germany Sweden Russia Poland and Czechoslovakia In his introduction Segel reviews the premodernist literary and dramatic treatment of the puppet and marionette from Cervantes Don Quixote to the turn of the century European cabaret His epilogue considers the appearance of puppets and marionettes in postmodern European and American drama by examining works by such dramatists as Jean Claude Van Itallie Heiner MA1 4ller and Tadeusz Kantor Bruno Jasiński Nina Kolesnikoff, 1983-01-06 Bruno Jasiński was a bilingual Polish Russian

writer who died in exile in Siberia in 1939 This volume traces his literary evolution The introductory biographical sketch is followed by a discussion of Jasie ski s contribution to Polish poetry specifically the Futurist movement which like its parallels in Russia and Italy revolutionized poetic language An analysis and evaluation of Jasie ski s prose work sheds light on the relationship between politics and literature in early twentieth century Poland and Russia Most of Jasie ski s novels and short stories were written in the approved Soviet tradition of Socialist Realism His *Man Changes His Skin* is considered one of the best Soviet industrial novels of the 1930s The author s comprehensive and skillful treatment of Jasie ski s literary production the first to appear in English also makes a valuable contribution to the knowledge of Futurism in Eastern Europe and Socialist Realism in the Soviet Union The volume contains numerous quotations from Polish and Russian literature both in English translation prepared by the author and in the original It will be of interest to students of Slavic literature comparative literature and the literature of ideology

*The Play Pictorial* ,1915 Caviar and Ashes Marci Shore,2006-01-01 This history of the generation of Polish literati born at the end of the 19th century tells of the young avant gardists of the early 1920 s who become the radical Marxists of the late 1920 s It traces the journey through futurist manifestos Nazi genocide and Stalinist terror from literary cafes to prison cells

**Mr Price, or Tropical Madness and Metaphysics of a Two- Headed Calf** Stanislaw Ignacy Witkiewicz,2003-09-02 The Polish playwright and artist Stanislaw Ignacy Witkiewicz known as Witkacy is now recognized as Poland s leading theatrical innovator of the interwar years and one of the outstanding creative personalities of the European avant garde This volume contains two of Witkacy s tropical plays inspired by the playwright s trip to Ceylon and Australia in 1914 with his close friend the anthropologist Bronislaw Malinowski *Mr Price or Tropical Madness* is a drama of heightened passion and greed among British colonists in Rangoon who seem to have stepped out of Joseph Conrad s tales of the South Seas *Metaphysics of a Two headed Calf* set in New Guinea and Australia pits savage European imperialists against a native tribal Australia and pits savage European imperialists against a native tribal chieftain whose fetish of a great golden frog offers greater insight into the mystery of existence than the Westerners shallow rationalism Both plays puncture the white rulers poses of superiority and parody their images of the tropical Other Also included in the volume are Witkacy s Foreword to *Metaphysics of a Two Headed Calf* in which the playwright defends his concept of theatre as an autonomous art with a scenic language of its own and an appendix containing a documentary itinerary of Witkacy s journey to Ceylon

*Przekładaniec*, 2 (2010) vol 24 - English Version ,

**Polish Romantic Drama** Adam Mickiewicz,Zygmunt Krasiński,Juliusz Słowacki,1997 Containing translations of three major plays in his highly informative introduction Professor Segel discusses the plays against the background of the Romantic movement in Poland and points out their ideological and artistic importance

**A History of Polish Literature** Anna Nasilowska,2024-06-11 Anna Nasilowska s *A History of Polish Literature* is a one volume guide that immerses readers in the rich tapestry of Polish literature and reveals its enduring impact on European identity from the Middle Ages to the late

twentieth century By exploring key themes writers and works and grounding her discussion in crucial biographical context she weaves together the lives of a carefully curated list of Polish writers to paint a vivid literary portrait elucidating the epochs that these writers shaped Offering indispensable insights for readers who may be unfamiliar with the world of Polish literature it is an excellent jumping off point for further study and learning

**The Theatre of Death - The Uncanny in Mimesis** Mischa Twitchin, 2016-10-20 This book is concerned with such questions as the following What is the life of the past in the present How might the theatre of death and the uncanny in mimesis allow us to conceive of the afterlife of a supposedly ephemeral art practice How might a theatrical iconology engage with such fundamental social relations as those between the living and the dead Distinct from the dominant expectation that actors should appear life like onstage why is it that some theatre artists from Craig to Castellucci have conceived of the actor in the image of the dead Furthermore how might an iconology of the actor allow us to imagine the afterlife of an apparently ephemeral art practice This book explores such questions through the implications of the twofold analogy proposed in its very title as theatre is to the uncanny so death is to mimesis and as theatre is to mimesis so death is to the uncanny Walter Benjamin once observed that The point at issue in the theatre today can be more accurately defined in relation to the stage than to the play It concerns the filling in of the orchestra pit The abyss which separates the actors from the audience like the dead from the living If the relation between the living and the dead can be thought of in terms of an analogy with ancient theatre how might avant garde theatre be thought of in terms of this same relation today

**Director's Cut** Arthur Japin, 2010-02-09 Based on a true story Arthur Japin's new novel is a tale of consuming love and artistic creation that reimagines the last romance of the legendary filmmaker Federico Fellini In Director's Cut we enter the mind of Snaporaz the lion of Italian cinema as he slips into a coma in his final days Having always drawn inspiration from the world of his dreams he welcomes the chance to take account of his life and in particular his most recent love affair with a beautiful but tempestuous young actress called Gala Here is the story as Snaporaz tells it Lured by the glamour of Rome Gala and her boyfriend Maxim an actor as well are hoping to be discovered when they manage the impossible entrance to the studio of the great master Despite an age difference of four decades Gala soon becomes Snaporaz's mistress leaving Maxim guardian of her secrets and her fragile health to be an anxious and helpless observer of her physical and spiritual decline As Gala becomes increasingly dependent on Snaporaz's attentions her desperation never to disappoint him leads her down a reckless path to anorexia and prostitution before the one true bond in her life is restored Snaporaz's intoxicatingly baroque Felliniesque account of the affair slyly challenges us again and again to ask what is dream and what is reality and to conclude that the difference is irrelevant when such a genius immerses himself in his most natural element the imagination A dazzling tale from one of Europe's most celebrated writers

*Encounters with Tadeusz Kantor* Krzysztof Miklaszewski, 2013-10-11 An invaluable collection of documents and discussions of the work of one of the most significant theatre practitioners of the last fifty years This unique set of reminiscences written by one of the

actors who worked closely with Kantor over a long period of time ranges from the anecdotal to the theoretical Kantor's work offers some of the most disconcerting allegories of Modernism and a quintessential expression of the unconscious during a bitter period of human history Kantor's stern but affectionate guardianship of his troupe of travelling players comes off Miklaszewski's pages with warmth humanity and humour 2022 Günter Berghaus, 2022-12-19 The first part of the yearbook contains ten essays on Futurist art and literature in Italy France Russia Poland Portugal and the former colony of Goa Among other things early Futurist publishing and propaganda initiatives by means of manifestos press releases and newsheets are examined as well as Athos Casarini's artistic and political work undertaken in Italy and the USA Articles in the second part deal with the 30th anniversary of the international Academy of Zaum as well as various conferences exhibitions and publications celebrating the centenary of Zenitism in Serbia and Croatia Critical responses to exhibitions conferences and publications as well as a bibliographical section with information on 139 recent book publications on Futurism conclude the yearbook Alternative Theatre in Poland Kathleen Cioffi, 2013-07-04 The complex nature of the relationship between theatre and politics is explored in this study of the Polish theatre scene It traces the development of the alternative theatre movement from its origins in the 1950s through to its decline in the late 1980s Leading Creators of Twentieth-Century Czech Theatre Jarka M. Burian, 2013-07-04 In this invaluable and detailed presentation of the leading creative figures in a richly innovative and dynamic period of Czech theatre Professor Jarka M Burian provides us with insightful portraits of the directors K H Hilar E F Burian Alfred Radok and Otomar Krejca of the famous Voskovec and Werich comedic duo of the scenographer Josef Svoboda and of the playwright now President of the Czech Republic Vclav Havel There are also briefer studies of numerous other directors designers and actors The author a Czech American theatre scholar and practitioner has been a frequent on site observer of Czech theatre since 1965 He is directly acquainted with many of the major artists and the most notable productions that have made Czech theatre internationally famous **A Dream** Felicja Kruszezwska, 2014-04-04 The translation of Felicja Kruszezwska's A Dream introduces a major play by a twentieth century female playwright to the English speaking world On March 7 1927 A Dream a large scale expressionistic drama by an unknown poet burst on the Polish theatrical scene in a dazzling debut production by the young actor Edmund Wiercinski who would become one of the outstanding directors of his time The play's hallucinatory visions of the rise of fascism and the heroine's longing for a providential savior on a white horse spoke directly to Polish audiences about their deepest anxieties During the next two years A Dream received three additional stagings and became the subject of lively debate and controversy The play which has been successfully revived in 1974 is an outstanding example of European expressionism The volume also contains An Excursion to the Museum by the contemporary Polish poet playwright and short story writer Tadeusz Rozewicz A disturbing account of an utterly mundane visit to Auschwitz the tale is a brilliant example of the playwright's technique of poetic collage **Directing - a Handbook for Emerging Theatre Directors** Rob

Swain, 2011-09-29 The theatre director is one of the most critical roles in a successful drama company yet there are no formal qualifications required for entry into this profession This practical guide for emerging theatre directors answers all the key questions from the very beginning of your career to key stages as you establish your credentials and get professionally recognized It analyzes the director's role through relationships with the actors author designer production manager and creative teams and provides vital advice for on the job situations where professional experience is invaluable The book also provides an overview of the many approaches to acting methodology without focusing on any in particular to allow the director to develop their own unique methods of working with any actor's style Each chapter includes these key features Introduces important theories identifies practitioners and provides key reading to provide an overview of historic and current practice Interviews with leading practitioners and emerging directors Suggested exercises to develop the director's own approach and practical skills
