Mans Great Awakening:

The Great Awakening Jonathan Edwards, 1972 Interpreting the Great Awakening of the eighteenth century was in large part the work of Jonathan Edwards whose writings on the subject defined the revival tradition in America Moving from sensitive descriptions of the Surprising work of God in conversion to a consuming quest for the essence of true religion and threading his way through mounting controversies over errors in doctrine and disorders in practice Edwards sought to locate an authentic core of evangelical experience to define it in terms of biblical faith and psychological insight and to defend it against both overheated zealous and rationalistic critics The tracts that unfold his thoughts presented here with related correspondence for the first time in accurate critical texts document a movement so significant for the American character that it has been called our national conversion In a carefully researched introduction C C Goen identifies the Arminian threat to which the Northampton pastor responded at the onset of the Awakening and traces Edwards understanding of vital religion as it developed in the ambiguous context of revivalism Mr Goen s study also illuminates little known aspects of A Faithful Narrative and describes the haphazard way in which that important work reached its eager audience C C Goen author of Revivalism and Separatism in New England 1740 1800 1962 is professor of church history at the Wesley Theological Seminary in Washington D C

The Man from Booger Hollow Gary Bryan Jones, 2025-07-21 As a little boy growing up in the tiny village of Booger Hollow Arkansas Jeremiah felt the sting of abandonment and difference he never knew his father looked nothing like his much older siblings and was born into deep poverty From an early age he learned that food clothing and transportation were often scarce He never spent a single day in school One day Jeremiah survived a vicious dog attack that left him badly scarred Not long afterward alone outside the cabin and weighed down by pain and loneliness he devised what he called the solution Just then a stranger appeared and Jeremiah s life changed course At 17 with no education and little understanding of the world he left home to chase the classic American dream hitchhiking to Alaska to strike it rich in the gold mines But the most unimaginable part wasn t the journey it was what he brought with him a gifted live mule a trumpet a nearly empty duffel bag no money and an oversized share of grit and determination When he finally arrives in Alaska Jeremiah does strike gold but not in the way he expected He becomes a wealthy man only to realize that fortune alone doesn t bring happiness In time he gives it all away and ultimately uncovers the identity of the mysterious stranger from his youth along with the stranger s purpose

Revivals, Awakening and Reform William G. McLoughlin, 2013-03-06 In Revivals Awakenings and Reform McLoughlin draws on psychohistory sociology and anthropology to examine the relationship between America s five great religious awakenings and their influence on five great movements for social reform in the United States He finds that awakenings and the revivals that are part of them are periods of revitalization born in times of cultural stress and eventuating in drastic social reform Awakenings are thus the means by which a people or nation creates and sustains its identity in a changing world This book is sensitive thought provoking and stimulating It is must reading for those interested in awakenings and even though some may not revise their views as a result of McLoughlin s suggestive outline none can remain unmoved by the insights he has provided on the subject Christian Century This is one of the best books I have read all year Professor McLoughlin has again given us a profound analysis of our culture in the midst of revivalistic trends Review and Expositor

God's Holiness vs. Man's Lawlessness Carl Barrett, 2023-09-19 We will always obey our Lord at all costs This is the opposite of the spirit of

lawlessness which despises authority and cultivates chaos division and destruction And there is no doubt that lawless and unrighteous acts are on the rise throughout this country In a time when unholiness is rampant in our homes schools communities churches and abroad there are alarming concerns about these escalating acts If we re not students of God s word growing in his grace and love as believers we can find ourselves vulnerable to the rise of unholiness because it can distort our minds heart and attitude It s important that God s children are on the front line in pursuing God s most divine nature of holiness and living as intentional followers of Christ Because make no mistake God the Father Christ the Son and the Holy Spirit are not pleased with all the unholy practices saturating our lives They are calling believers to intercede in the gap and bridge God s holiness in people s lives As devout Christians we are needed more than ever because an intense battle of spiritual warfare is spreading where evil is trying to take over and we cannot allow this to happen **The World's Chinese Students' Journal** ,1907 **Heavenly Revelations** The Scribe,2017-08-23 The human race has been waiting for the revelations that are written in this Holy Book How to develop a greater understanding and personal relationship with thy Holy Spirit The Majestic Connection states how our mortal souls connects to the divine intent of God The following of false religions has created great dismay and has hindered the spiritual awakening in mankind This book has been received under the guidance of the Holy Spirit I know it will awaken those whom slumber and give them a greater understanding to the Higher Truths
