The Partnership Pamela Katz, 2015-01-06 Among the most creative and outsized personalities of the

Weimar Republic that sizzling yet decadent epoch between the Great War and the Nazis rise to power were the renegade poet Bertolt Brecht and the rebellious avant garde composer Kurt Weill These two young geniuses and the three women vital to their work actresses Lotte Lenya and Helene Weigel and writer Elizabeth Hauptmann joined talents to create the theatrical and musical masterworks *The Threepenny Opera* and *The Rise and Fall of the City of Mahagonny* only to split in rancor as their culture cracked open and their aesthetic and temperamental differences became irreconcilable *The Partnership* is the first book to tell the full story of Brecht and Weill's impulsive combustible partnership the compelling psychological drama of one of the most important creative collaborations of the past century It is also the first book to give full credit where it is richly due to the three women whose creative gifts contributed enormously to their masterworks And it tells the thrilling and iconic story of artistic daring entwined with sexual freedom during the Weimar Republic's most fevered years a time when art and politics and society were inextricably mixed **Witch from Hell's Kitchen** Robert E.

Howard,2015-02-12 This early work by Robert E Howard was originally published in the 20th century and we are now republishing it with a brand new introductory biography *Witch from Hell's Kitchen* is one of Howard's short stories in the fantasy genre and a must read for fans of the Author Robert Ervin Howard was born in Peaster Texas in 1906 During his youth his family moved between a variety of Texan boomtowns and Howard a bookish and somewhat introverted child was steeped in the violent myths and legends of the Old South At fifteen Howard began to read the pulp magazines of the day and to write more seriously The December 1922 issue of his high school newspaper featured two of his stories *Golden Hope* *Christmas* and *West is West* In 1924 he sold his first piece a short caveman tale titled *Spear and Fang* for 16¢ to the not yet famous *Weird Tales* magazine Howard's most famous character Conan the Cimmerian was a barbarian turned King during the Hyborian Age a mythical period of some 12 000 years ago Conan featured in seventeen *Weird Tales* stories between 1933 and 1936 which is why Howard is now regarded as having spawned the sword and sorcery genre The Conan stories have since been adapted many times most famously in the series of films starring Arnold Schwarzenegger **The True**

Kincaid-Weekes,2011-11-24 This second volume of the acclaimed *Cambridge Biography of D H Lawrence* covers the years

1912 22 the period in which Lawrence forged his reputation as one of the greatest and most controversial writers of the twentieth century During this period Lawrence produced the trio of novels with which he was to revolutionise English fiction over the next decade It was a painful process Sons and Lovers was crudely cut by its publisher The Rainbow was destroyed by court order and Women in Love took almost three years to find a publisher This 1996 biography tells the writing life too tracing the illuminating relations between man and manuscript without confusing life and art Drawing on previously unseen information from the Cambridge Editions of the Letters and Works and original research fresh light is shed on questions of Lawrence s sexuality health quarrels and friendships which have been more often gossiped or theorised about than scrupulously examined

The Abyss James Bèyor,2016-06-03 Have you ever asked yourself why human beings are compelled to agree Is it in our organic human nature to gather in like minded groups and segregate ourselves from others with dissimilar opinions Why do we feel the need to call ourselves good or right believing only we have a firm grasp of the truth while we label those not like us as bad or wrong Is it possible that our compulsion to agree is an elaborate man made control mechanism rooted in fear James Beyor points out in The Abyss the second book in his Guarded Hearts trilogy that we live in a dangerous time where our agreements are causing us great mental and biological harm Humankind is suffering from a bio mental decrepitude We have been duped into living out a symbolic replica of our human life potential Beyor points to an urgent need we must all address which if we do not will bring about anther period of inquisition far more insane and destructive than has been suffered by men in the past This inquisition will require secular obedience as defined by a government out of control He points to many fundamental elements that foreshadow unparalleled atrocities inflicted on the mentally and biologically impaired human species This is not just another doomsday tale it is a message of hope that we can if we act now reestablish our innate inner directed sense of all knowing built and begin again to live an authentic life The people of the world watch helplessly as our institutions falter in their insatiable struggle for dominance over the human race We must reclaim individual clarity and wean ourselves from our dependency on agreements of symbols and words In the Beyor Journals you will come face to face with yourself and become aware of your own innate clarity a genesis gift available to all those who have the courage to join then the great awakening who claim their right to a living truth You will never again wonder what is behind your successes and failures
