The Mansions of Limbo Joseph Roccasalvo, 2009-04-02 This is a collection of stories about people who are almost happy stuck in a kind of beatitude that does not beatify They seemed doomed to pursue happiness in marginal places only to find that bliss is doled out in measured amounts Hankering for satisfaction in a shifting world they live lives of unquiet desperation a connoisseur of oriental culture erotically smitten by a Japanese goldfish a specialist in classics pursuing a student whose profile matches one on a Roman coin itself the image of his dead son identical twins whose loss of their brothers draws them together through an obituary ad a pope whose heart transplant has him making strange post operative choices a satiric theologian whose wit earns him a place on the Index of forbidden books an Abyssinian cat who passes for a Coptic Christian The premise of each story begins as wildly implausible proves arguable until the conclusion becomes incontestable The characters may be stuck but better a mansion in limbo they argue than a high rise in heaven By refusing to say what is bad or good the last story leaves it to circumstance to assess the outcome It seems to say that we all struggle with divided lives engaging on earth in a shuttle diplomacy between limbo and heaven

Criticism of Society in the English Novel Between the Wars Hena Maes-Jelinek, 2013-05-22 The main concern of this study is the

artist's vision of society its major theme is the relation between the individual and society resulting from the impact of social and political upheavals on individual life By criticism of society I mean the novelist's awareness of the social reality and of the individual's response to it the writers I deal with all proved alive to the changes that were taking place in English society between the two World Wars Though the social attitudes of the inter war years as well as the writers response to them were shaped by lasting and complex influences such as trends in philosophy and science the two Wars stand out as determining factors in the development of the novel the consequences of the First were explored by most writers in the Twenties whereas in the following decade the novelists felt compelled to voice the anxiety aroused by the threat of another conflict and to warn against its possible effects After the First World War many writers felt keenly the social disruption the old standards which were thought to have made this suicidal War possible were distrusted the code of behaviour and the moral values of the older generation were openly criticized for having led to bankruptcy Disparagement of authority increased the individual's sense of isolation his insecurity his disgust or fear Even the search for pleasure so widely satirized in the Twenties was the expression of a cynicism born of despair The ensuing disengagement of the individual from his environment became a major theme in the novel his isolation was at once a cause for resentment and the source of his fierce individualism

As It Were Joseph Roccasalvo, 2010-11-24 We say that the style is the man Style as the soul of wit and wisdom is the person The aphorism points to this memoir's author Joseph Roccasalvo refined astute and ironic Readers will envision him moving at a slight angle to family and friends exuding his intelligence to wide benefit He is at once scholar and believer Although the events of his life may enlarge on his attainments we value him best for his faith and hope Like his namesake Joseph he's accounted a blessing He avoids being confessional by his cool robust somewhat distant stance If he's a practitioner of perfect prose he's also practitioner of the perfect pose linguist novelist and orientalist priest and playwright He alarms us with the library he carries in his brain He's the recorder of the secrets and longings not only of his friends but also of himself The portraits in *AS IT WERE* issue a summons You dear reader take note We are questioning you Do you claim a soul among the soulless who wander our culture lost You may yet be found This is the triumph of Roccasalvo's memoir told with singular purpose It's a story of divine providence of grace doled out during infancy which brings all things mysteriously to completion

Marcel DeCoste, 2016-03-09 Arguing against the critical commonplace that Evelyn Waugh's post war fiction represents a decline in his powers as a writer D Marcel DeCoste offers detailed analyses of Waugh's major works from *Brideshead Revisited* to *Unconditional Surrender* Rather than representing an ill advised departure from his true calling as an iconoclastic satirist DeCoste suggests these novels form a cohesive artful whole precisely as they explore the extent to which the writer's and the Catholic's vocations can coincide For all their generic and stylistic diversity these novels pursue a new sustained exploration of Waugh's art and faith both As DeCoste shows Waugh offers in his later works an under remarked meditation on the dangers of a too avid devotion to art in the context of modern secularism forging in the second half of his career a literary achievement that both narrates and enacts a contrary and Catholic literary vocation [Twentieth Century Literature in English](#) Ed. BRIDESHEAD REVISITED Evelyn Waugh, 2023-06-01 *Brideshead Revisited* harkens back to the perceived golden age prior to World War II. In these halcyon days, Charles Ryder is infatuated with the Marchmains and the rapidly disappearing world of privilege they inhabit. Enchanted first by Sebastian at Oxford, then by his doomed Catholic family, in particular his remote sister Julia, Charles comes finally to recognize only his spiritual and social distance from them.

Friendship and the Novel Allan Hepburn, 2024-02-13 Friends are at the centre of novels by everyone from George Eliot to Elena Ferrante. It is nearly impossible to name a work of fiction that is not enriched by the tensions and magnetisms of friendship. *Friendship and the Novel* focuses on the affective and narrative possibilities created by friendship in fiction. Friendship enables plots about rivalry, education, compassion, pity, deceit, betrayal, animosity, and breakup. It crosses boundaries of gender, class, nationality, disposition, race, age, and experience. Some novels offer lessons about distinguishing good friends from bad. In a Bildungsroman, friends contribute to the development of the protagonist through example or advice, as if novels were manuals for making and keeping friends. Sometimes sparks fly between friends, and friendship swerves into sexual intimacy. Sally Rooney and other contemporary writers take friendship online. The essays in *Friendship and the Novel* illustrate how friendship in its many forms—short or lifelong, intense or circumstantial—is a central problem and an abiding mystery in fiction, as in life, a subject that continues to shape the novel as a literary form and in turn its readers.
