

Foreword to Studies in Classic American Literature.

D. H. Lawrence

"America has no tradition. She has no culture-history."

Therefore, she is damned.

Europe invariably arrives at this self-congratulatory conclusion, and usually from the same stock starting-point, the same phrase about tradition and culture. Moreover it usually gets Americans in the eye, for they really haven't anything more respectable than the White House, or more primitive than ^{the} Whittier. ^{Which they} they ought to be thankful for, ~~and they ought to say so.~~ ^{to produce this stuff}

Americans in Italy, however, are very humble and deprecating. They know their nativeness, and beg to be ~~criticized~~ ^{criticized}. They prostrate themselves with admiration, they knock their foreheads on front of our elegant fetiches too, void America, crude, barbarous America, the Cinghetti know her not. ~~But she ought to be thankful.~~ ^{But she ought to be thankful.} She doesn't know when she is well off.

Italy consists of just one big arrangement of things to be admired. Every step you take, you get a church or a coliseum ^{but you} ~~find~~ ^{find} your eyes, and down you have to go, on your knees in admiration. Down go the Americans, till Italy fairly trembles with the shock of their ~~unrestrained~~ ^{dropping} kneeling.

It is a pity. It is a pity that Americans are always so wonder-struck by one - note the possessive ^{passionate} ~~passionate~~ cultural monuments. Why they are any more ~~more~~ ^{more} than yours, I don't know - except that I have a British passport to validate my existence, and you have an American. However.

After all, a heap of stone is only a heap of stone - even if it is Milan Cathedral. And who knows that it isn't a horrid bristly burden on the face of the earth? So why should the Corriere della Sera remark with such sniffy amusement: "Of course they were duly impressed, and showed themselves ^{overcome} ~~overcome~~ with admiration" - they being the Knights of Columbus, i.e. Cavalieri di Colombo.

The Knights of Columbus were confessedly funny in Milan. But once more, why not? The dear, delicate-nosed, capricious

Manuscripts Of D H Lawrence

Powell, 1970-02-01 A descriptive catalogue compiled by Lawrence Clark Powell with a foreword by Aldous Huxley

Unveiling the Power of Verbal Art: An Psychological Sojourn through **Manuscripts Of D H Lawrence**

In a global inundated with screens and the cacophony of immediate interaction, the profound power and psychological resonance of verbal beauty often fade in to obscurity, eclipsed by the constant barrage of noise and distractions. However, set within the lyrical pages of **Manuscripts Of D H Lawrence**, a interesting function of fictional beauty that impulses with raw thoughts, lies an wonderful trip waiting to be embarked upon. Written by way of a virtuoso wordsmith, that interesting opus courses readers on a mental odyssey, delicately exposing the latent possible and profound affect stuck within the intricate internet of language. Within the heart-wrenching expanse of the evocative evaluation, we will embark upon an introspective exploration of the book is key styles, dissect their interesting writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
