**MARIE STOPES'
SEXUAL REVOLUTION
AND THE BIRTH
CONTROL MOVEMENT**

Clare Debenham

Marie Stopes And The Sexual Revolution Marie Stopes And The Sexual Revolution

, Sandra Trudgen Dawson

Marie Stopes And The Sexual Revolution Marie Stopes And The Sexual Revolution:

Marie Stopes' Sexual Revolution and the Birth Control Movement Clare Debenham, 2018-03-06 This book examines the life work and controversial achievements of Marie Stopes author and pioneer of the birth control movement in the interwar period As the centenary of the ground breaking publication of Married Love approaches this study traces and reassesses Marie s remarkable achievements considering the literary scientific and political themes of her life s work Clare Debenham analyses how Stope s personal life led her to turn away from palaeobotany to concentrate on transforming the country s sexual relationships by writing Married Love Utilising extensive unpublished archive research biographies letters and interviews with her friends and relatives Debenham demonstrates that Stopes s work on sexual relationships has overshadowed her considerable achievements including her scientific career as a paleaobotantist her literary success in the interwar period and her work with help from suffragists in establishing the first British birth control clinic Marie Stopes and the Sexual Revolution June Rose, 1993 Mothers, Midwives, and Reproductive Labor in Interwar and Wartime Britain , Sandra Trudgen Dawson, 2024-01-26 Mothers Midwives and Reproductive Labor in Interwar and Wartime Britain is about the experiences of mothers and midwives as they navigated the changing political and social issues surrounding childbirth and motherhood during interwar and wartime Britain The needs and agency of women as mothers and midwives often conflicted with the ideals of the state While government officials understood the importance of safe childbirth to the nation they also chose to allow economic crises and war preparation to take precedence The interwar plans for a national maternal healthcare system met financial constraints and a lack of political will As the outbreak of the Second World War appeared imminent politicians planned for pregnant women and those with small children to evacuate from cities The reception areas were less well planned and pregnant women returned to their homes rather than deliver among strangers Wartime maternity provision didn t take into account the needs and desires of mothers and midwives Reproductive laborers mothers and midwives demonstrated agency throughout the period Pregnant women chose to deliver at home with untrained or trained birth attendants midwives entered and left the profession on their own terms offering or withholding their skills when it suited individual need rather than at the behest of government **The Long Sexual Revolution** Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s **Irish Modernism and the Politics of Sexual**

Health () (Meadhbh) Houston,2023-01-24 Irish Modernism and the Politics of Sexual Health explores the politicized role of sexual health as a concept discourse and subject of debate within Irish literary culture from 1880 to 1960 Combining perspectives from Irish Studies Modernist Studies and the Social History of Medicine it traces the ways in which authors politicians and activists in nineteenth and twentieth century Ireland harnessed debates over sexual hygiene venereal disease birth control fertility and eugenics to envisage competing models of Irish identity culture and political community Analyzing the work of canonical authors Yeats Synge Shaw Joyce Beckett Flann O'Brien and less often discussed figures George Moore Oliver Gogarty Signe Toksvig Kate O'Brien in conversation with medical scientific and legal writing on sexual health it charts how the medicalization and politicization of sex informed the emergence and development of modernism in Ireland At the same time by reading this literary material alongside the polemical and journalistic writing of figures such as Arthur Griffith Maud Gonne and Hanna Sheehy Skeffington it also reveals the ways in which key events in Irish cultural and political history the Parnell Split the Limerick Pogrom the Playboy riots the passage of the Censorship of Publications Act were shaped by ongoing debates and dilemmas in the field of sexual health This book will benefit students researchers and readers interested in the history of sex and its regulation in modern Ireland the impact of sex and medicine on Irish political history and the nature of modernism's engagement with sex health and the body

The Family Planning Association and Contraceptive Science and Technology in Mid-Twentieth-Century Britain Natasha Szuhán,2022-08-18 This book offers the first in depth investigation into the relationship between the National Birth Control Association later the Family Planning Association and contraceptive science and technology in the pre Pill era It explores the Association's role in designing and supporting scientific research employment of scientists engagement with manufacturers and pharmaceutical companies and use of its facilities patients staff medical scientific and political networks to standardise and guarantee contraceptive technology it prescribed and produced By taking a micro history approach to the archives of the Association this book highlights the importance of this organisation to the history of science technology and medicine in twentieth century Britain It examines the Association's participation within Western family planning networks working particularly closely with its American counterparts to develop chemical and biological means of testing contraception for efficacy quality and safety

Birth Control, Sex, and Marriage in Britain 1918-1960 Kate Fisher,2006-07-13 The first half of the twentieth century witnessed a revolution in contraceptive behaviour as the large Victorian family disappeared This book offers a new perspective on the gender relations sexual attitudes and contraceptive practices that accompanied the emergence of the smaller family in modern Britain Kate Fisher draws on a range of first hand evidence including over 190 oral history interviews in which individuals born between 1900 and 1930 described their marriages and sexual relationships By using individual testimony she challenges many of the key conditions that have long been envisaged by demographic and historical scholars as necessary for any significant reduction in average family size to take place Dr Fisher demonstrates that a massive

expansion in birth control took place in a society in which sexual ignorance was widespread that effective family limitation was achieved without the mass adoption of new contraceptive technologies that traditional methods such as withdrawal abstinence and abortion were often seen as preferable to modern appliances such as condoms and caps that communication between spouses was not key to the systematic adoption of contraception and above all that women were not necessarily the driving force behind the attempt to avoid pregnancy Women frequently avoided involvement in family planning decisions and practices whereas the vast majority of men in Britain from the interwar period onward viewed the regular use of birth control as a masculine duty and obligation By allowing this generation to speak for themselves Kate Fisher produces a richer understanding of the often startling social attitudes and complex conjugal dynamics that lay behind the vast changes in contraceptive behaviour and family size in the twentieth century **Bibliography of the History of Medicine** ,1972

The Oxford Handbook of Gender, War, and the Western World Since 1600 Karen Hagemann, Stefan Dudink, Sonya O. Rose, 2020 To date war history has focused predominantly on the efforts of and impact of war on male participants However this limited focus disregards the complexity of gendered experiences with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of military culture examining the varied ideals and practices that have socially differentiated men and women s wartime experiences Covering the major periods in warfare since the seventeenth century The Handbook explores cultural representations of war and the interconnectedness of the military with civil society and its transformations **Feminism, UK Women's Magazines and the Women who Created Them, 1975-1992** Sharon Maxwell Magnus, 2025-06-30 This book analyses how reproductive rights and sexual freedoms the political sphere women s role in the workplace and sexual violence were positioned and depicted by three magazines with very different demographics Spare Rib Cosmopolitan and Woman s Own The 1970s and 1980s were a time of enormous cultural shifts for women The rise of the feminist Women s Liberation Movement ground breaking equality legislation and greater reproductive freedoms impacted on most women s lives in a plethora of ways However until now there has been little attention to how those changes were disseminated to and framed within women s media This is because most media of the period were run by men for men and focused on men s lives However within women s magazines the changes in women s lives and feminism itself were framed debated and contested This volume features unique interviews with the influential women who produced the magazines Spare Rib Cosmopolitan and Woman s Own and who give insights into the national and international events ideologies and constraints which impacted on their content creation This book will be of great value to contemporary historians students of gender and cultural studies media scholars and those who are interested in finding out how feminism influenced their parents and their own generation

Encyclopedia of Feminist Literature Mary Ellen Snodgrass, 2014-05-14 An accessible one volume encyclopedia this addition to the Literary Movements series is a comprehensive reference guide to the history and development of feminist

literature from early fairy tales to works by great women writers of today Hundred *Psychology of Sexuality & Mental Health Vol. 1* Naveen Pant, 2024-03-30 This book focuses on indigenous and Indian concepts of sexuality exploring its psychology and its relationship with mental health Through theoretical review exploratory and mixed approaches the book delves into common fields of thought regarding indigenous sexuality which relate to psychology and mental health In the first section of the book *Psychology of Sexuality Indigenous Approaches* the book discusses various indigenous aspects of sexuality such as Indian indigenous Hindu and Buddhist The second section of the book *Indigenous Psychology of Sexuality and Mental Health* discusses indigenous aspects combined with sexuality and mental health **Women's Experience of Modernity, 1875-1945** Ann L. Ardis, Leslie W. Lewis, 2003-05-22 A collection of essays on women's history and literary production at the turn of the twentieth century that centers the feminine phenomena Analyzing such cultural practices as selling and shopping political and social activism urban field work and rural labor radical discourses on feminine sexuality and literary and artistic experimentation this volume contributes to the rich vein of current feminist scholarship on the gender of modernism and challenges the assumption that modernism rose naturally or inevitably to the forefront of the cultural landscape at the turn of the twentieth century During this period women's experience was a rallying cry for feminists a unifying cause that allowed women to work together to effect social change and make claims for women's rights However it also proved to be a source of great divisiveness among women for claims about its universality quickly unraveled to reveal the classism racism and Eurocentrism of various feminist activities and organizations The essays in this volume examine both literary and non literary writings of Jane Addams Djuna Barnes Toru Dutt Radclyffe Hall H D Pauline Hopkins Emma Dunham Kelley Amy Levy Alice Meynell Bram Stoker Ida B Wells Rebecca West and others Instead of focusing exclusively or even centrally on modernism and literature these essays address a broad array of textual materials from political pamphlets to gynecology textbooks as they investigate women's responses to the rise of commodity capitalism middle class women's entrance into the labor force the welfare state's invasion of the working class home and the intensified eroticization of racial and class differences **Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors *Inventing the It Girl* Hilary A. Hallett, 2022-07-26 A Publishers Weekly Summer Reads Selection The modern romance novel is elevated to a subject of serious study in this addictively readable biography of pioneering celebrity author Elinor Glyn Unlike typical romances which end with wedding bells Elinor Glyn's 1864-1943 story really began after her marriage up the social ladder and into the English gentry class in 1892 Born in the Channel Islands Elinor Sutherland like most Victorian women aspired only to a good match But when her

husband Clayton Glyn gambled their fortune away she turned to her pen and boldly challenged the era's sexually straightjacketed literary code with her notorious succ s de scandale *Three Weeks* 1907 An intensely erotic tale about an unhappily married woman's sexual education of her young lover the novel got Glyn banished from high society but went on to sell millions revealing a deep yearning for a fuller account of sexual passion than permitted by the British aristocracy or the Anglo American literary establishment In elegant prose Hilary A Hallett traces Glyn's meteoric rise from a depressed society darling to a world renowned celebrity author who consorted with world leaders from St Petersburg to Cairo to New York After reporting from the trenches during World War I the author was lured by American movie producers from Paris to Los Angeles for her remarkable third act Weaving together years of deep archival research Hallett movingly conveys how Glyn more than any other individual during the Roaring Twenties crafted early Hollywood's glamorous romantic aesthetic She taught the screen's greatest leading men to make love in ways that set audiences aflame and coined the term It Girl which turned actress Clara Bow into the symbol of the first sexual revolution With *Inventing the It Girl* Hallett has done nothing less than elevate the origins of the modern romance genre to a subject of serious study In doing so she has also reclaimed the enormous influence of one of Anglo America's most significant cultural tastemakers while revealing Glyn's life to have been as sensational as any of the characters she created on the page or screen The result is a groundbreaking portrait of a courageous icon of independence who encouraged future generations to chase their desires wherever they might lead

The Field Day Anthology of Irish Writing Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991

Lady Constance Lytton Lyndsey Jenkins, 2015-03-12 Lady Constance Lytton 1869-1923 was the most unlikely of suffragettes One of the elite she was the daughter of a Viceroy of India and a lady in waiting to the Queen She grew up in the family home of Knebworth and in embassies around the world For forty years she did nothing but devote herself to her family denying herself the love of her life and possible careers as a musician or a reviewer Then came a chance encounter with a suffragette Constance was intrigued witnessing Emmeline and Christabel Pankhurst on trial convinced her of the urgent necessity of votes for women and she went to prison for the cause as gleefully as any child going on a school trip But once jailed Constance soon found that her name and her connections singled her out for unwelcome special treatment By now 1909 the suffragettes were hunger striking and the government had retaliated with force feeding The stories that began to leak out of bungled operations of dirty tubes of screams half heard through brick walls of straitjackets and handcuffs outraged the suffragettes Constance decided on her most radical step yet to go to prison in disguise Taking the name Jane Warton she cut her hair put on glasses and ugly clothes and got herself arrested in Liverpool Once in prison she was force fed eight times before her identity was discovered and she was released Her case became a cause c l bre with debate raging in *The Times* and questions being asked in the House of Commons Lady Constance Lytton became an inspiration and in the end a martyr In this extraordinary new biography Lyndsey Jenkins reveals for the first time the fascinating story of the

woman who abandoned a life of privilege to fight for women's rights

Born Lucy Inglis, 2025-10-07 A groundbreaking history of childbirth filled with medical, political, and social triumphs. *Born* is the story of how we give birth, set against the female struggle to govern their ability to reproduce. *Born* moves around over time and large geographical, social, and cultural distances but returns continually to a series of themes: the experience of pregnancy, the act of childbirth, and latterly the fight for reproductive autonomy. Whatever their ultimate outcomes, pregnancy and the act of childbirth are at once an individual and communal event. No two births are the same, yet the history of childbirth informs us about so much more than this intimate moment in the lives of a woman and her offspring. The act of childbirth informs us as unique individuals, yet at the same moment makes us part of something much greater than ourselves. This book is the sum of many stories that combine war, art, science, and politics with the fundamental act of human existence. It is not a book about parenting or motherhood beyond the moment of delivery and the short time afterward. Instead, this is a story of the evolving role pregnancy and childbirth have played in societies through history, of the mysticism, the practicalities, and the power struggles that have shaped nations, yet also individual identities. Our narrative starts out in prehistory and ends now with the reversal of *Roe v Wade*, taking in mother and child, bone fragments of the Ice Age, the cries from the medieval birthing chair, and the calls to rally of our modern age. This is how we are Born.

The Politics of Love Carla Christina Hustak, 2024-02-13 *The Politics of Love* explores the entanglement of emotions, social movements, and science in reconfiguring human and nonhuman relations. As Darwin's evolutionary theory informed the development of sexual science and the sex reform movement between the 1890s and the 1920s, sex reformers emerged as a group of diverse and culturally influential professionals: doctors, psychologists, artists, political activists, novelists, and academics who shared a profound commitment to changing the world by changing the practice of sex. Sex reformers reinvented love as a scientific practice of sex that brought humans and nonhumans into the fold of early twentieth-century racial, gender, and sexual politics. Carla Christina Hustak illuminates how sex reformers' insistence that love can shift human and nonhuman relations is more than just a historical narrative; it is a moment in time interconnected with urgent contemporary concerns over the global implications of our emotional relationships to other humans, animals, the earth, and atmospheric and technological forces.

Sex, Politics and Society, 2014-05-22 A pioneering study which has become an established classic in its field, *Sex, Politics and Society* provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present. These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism. Now fully revised and updated and with a new chapter bringing the story right up to date, this new edition considers the transformation of the sexual world through globalization and the internet, the changing impact of the AIDS pandemic over the last thirty years, the influence of new currents in social and cultural theory on the study of sexuality, the

gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights *Sex Politics and Society* remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality

Thank you unquestionably much for downloading **Marie Stopes And The Sexual Revolution Marie Stopes And The Sexual Revolution**. Maybe you have knowledge that, people have look numerous times for their favorite books subsequent to this Marie Stopes And The Sexual Revolution Marie Stopes And The Sexual Revolution, but end stirring in harmful downloads.

Rather than enjoying a good ebook next a cup of coffee in the afternoon, instead they juggled following some harmful virus inside their computer. **Marie Stopes And The Sexual Revolution Marie Stopes And The Sexual Revolution** is user-friendly in our digital library an online right of entry to it is set as public hence you can download it instantly.
