Marilyn Warren Rosten,1973-09-04 **Marilyn** Norman Rosten,1973-09 *Marilyn Monroe and Bob Hope!* Steven King,2018-04-02 Marilyn Monroe Bob Hope illustrated biography **Marilyn & Elvis** Arthur Miller,2017-08-12 Elvis Presley Marilyn Monroe **Marilyn Who?** Marilyn Schwartz,2015-05-18 IF ONE THING CAN BE SAID about this woman it s that adversity does not deter her A problem by itself is not a negative thing she advises It s a challenge And if you look at each passage as a kind of victory big or small it offers encouragement giving you confidence in yourself to be ready for whatever comes next Meet Marilyn Sacharow Fried Schwartz an uncommon woman whose eight decade journey amid joy and heartbreak through turbulence and triumph reminds of the preciousness of our days the importance of faith and family and the resiliency of the human spirit *The Postfeminist Biopic* B. Polaschek,2013-11-13 This book contributes to the growing literature on the biopic genre by outlining and exploring the conventions of the postfeminist biopic It does so by analyzing recent films about the lives of famous women including Sylvia Plath Frida Kahlo Virginia Woolf and Jane Austen *The Misfit* Steven Poser,2022-09-07 A fascinating account of the unusual relationship between Marilyn Monroe and her last psychiatrist in the fifteen months leading to her suicide Marilyn Monroe is remembered as both an iconic sex symbol and a heartbreaking figure who suffered through a chaotic childhood and wrestled with addiction and mental illness This short true account shines new light on the last days of her life Dr Ralph Greenson a clinical professor of psychiatry at UCLA Medical School and a star among Hollywood psychoanalysts treated Monroe for the fifteen months before her August 1962 suicide He saw her seven days a week and brought her into his home He never got over losing her Written by a practicing psychoanalyst The Misfit recounts this tragic alliance and Marilyn Monroe s borderline personality offering compelling insight into the deteriorating mental state of a singular superstar *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Bombshells** Steve Sullivan,2025-10-16 This collection includes classic pinups and stories about some of the most colorful sexy and provocative women of the 50s 60s and 70s including B movie stars Playboy bunnies and other enduring objects of desire Steve Sullivan s Bombshells is a wonderful slice of nostalgia a fascinating look at some of the most beautiful women the world has ever known **Counter-Revolution of the Word** Alan Filreis,2009-09-14 Counter revolution of the Word is about conservatives attempt to destroy the modernist

avant garde in the anticommunist period after World War II The antagonists readers will meet in these pages by no means constitute a monolithic force They were not ideologically of a kind But aesthetically Well yes aesthetically they were more or less unified they knew what they formally opposed and the narrative of that surprising unity lies at the center of this study A few of these people did work together such as the band of poets and poetry editors most of them reactionary antimodernists that the prolific Stanton Coblenz helped assemble under the banner of the League for Sanity in Poetry Others among Coblenz s colleagues however would not have recognized themselves as allies quite aside from their hatred of modern poetry differences between them academic theoretical personal would have gotten in the way To my knowledge this is the first book written about the overall effects of actual anticommunism on modernist American poetry and poetics Such a blank in our understanding of American art and artists has its specific causes A main cause is the apparent disappearance of the evidence for links between and among disparate truculent McCarthyite elements in the poetry world and their communist poet enemies and the modernist experimenters who have not been known to have connections to the communist movement

American Monroe S. Paige Baty, 1995-08-15 A highly original work that is extremely important to the study of both culture and politics Demonstrating how the cultural icon of Marilyn Monroe provides the body politic in American mass mediated society Baty not only offers a provocative reading of the iconographic biographic cartographic and hagiographic modes in which Marilyn has been written by others but also gives us a novel theorization of how popular culture translates transforms and embodies the political sphere Vivian Sobchack author of *The Address of the Eye* Reborn on coffee cups T shirts and film footage in conspiracy theory biography and necrophilia the remembered fragments of Marilyn Monroe so Paige Baty shows make up cult objects of our imagined community *American Monroe* is endlessly revelatory not only about the meanings of Marilyn but also about the nature of the common culture of the United States Mike Rogin author of *Ronald Reagan The Movie* In this original imaginative and innovative book Paige Baty asks and answers important questions about U S political culture by examining many mass mediated memories of Marilyn Monroe Baty uses our continuing national obsession with Monroe s life and death as a means of exploring the ways in which languages of belonging dominate our mass mediated political landscape She explores how iconic representations personal biographies conspiracy theories and anxieties about death shape the symbolic economy of American politics into what she calls the post mortem

condition This important inquiry about collective memory mass media and political culture starts with the life and the mass mediated memory of one celebrity but it builds into a fascinating and persuasive general discussion about the nature of knowledge and the social production of the individual self in a world where mass mediated images and icons form the core of our collective consciousness George Lipsitz author of *Dangerous Crossroads Popular Music Postmodernism and the Poetics of Place* If U S culture cannot forget Marilyn Monroe readers of *American Monroe* will not be able to forget Professor Baty s elegant and provocative arguments Elvis Presley and Marilyn Monroe are both representative figures in U S cultural politics While his death is repetitively denied Elvis s living clones endlessly populate hotel conventions and tabloids But it is Marilyn s dissected body and haunting story of suicide that proliferate in the undead spaces of U S mass mediated culture In *American Monroe* Baty writes a haunting kind of political theory Her project probes the profusion of meanings associated with a cultural figure who is at the heart of contemporary crises in representation *American Monroe* is a book about cultural memory as political practice it is a work to remember Donna Haraway author of *Simians Cyborgs and Women The Reinvention of Nature* *Hollywood by Hollywood* Steven Cohan,2019 The backstudio picture or the movie about movie making is a staple of Hollywood film production harking back to the silent era and extending to the present day What gives backstudios their coherence as a distinctive genre Steven Cohan argues in *Hollywood by Hollywood* is their fascination with the mystique of Hollywood as a geographic place a self contained industry and a fantasy of fame leisure sexual freedom and modernity Yet by the same token if backstudio pictures have rarely achieved blockbuster box office success what accounts for the film industry s interest in continuing to produce them The backstudio picture has been an enduring genre because aside from offering a director or writer a chance to settle old scores in branding filmmaking with the Hollywood mystique the genre solicits consumers strong investment in the movies Whether inspiring the movie crazy fan girls of the early teens and twenties or the wannabe filmmakers of this century heading to the West Coast after their college graduations backstudios have given emotional weight and cultural heft to filmmaking as the quintessential American success story But more than that a backstudio picture is concerned with shaping perceptions of how the film industry works with masking how its product depends upon an industrial labor force including stardom and with determining how that work s value accrues from the Hollywood brand stamped onto the product Cohan supports his well theorized and well researched claims with nuanced discussions of over fifty backstudios some canonical and well known and others obscure and rarely seen Covering the hundred year timespan of feature length film production *Hollywood by Hollywood* offers an illuminating perspective for considering anew the history of American movies **Room to Grow** Tracey Gold,2012-09-03 Tracey Gold was well known to television audiences in the 1980s and 90s as the wholesome teenage sister on the long running series *Growing Pains* She co starred for eight years alongside Kirk Cameron as brainy sister Carol Seaver in a picture perfect American family A working actress since the age of 4 she was a pretty and professional young star with a limitless future But behind the smiles Tracey

was fighting the battle of her life Photos of the shockingly thin Tracey faced readers from the cover of People magazine revealing her struggle with an eating disorder that had plagued her for years In this candid memoir the actress recounts her offscreen troubles that viewers were unaware of at the time Room to Grow is a moving account of a trip to hell and back It is a journey of self discovery and a chronicle of the very difficult lessons Tracey learned about coping in a society where emaciation is the ultimate ideal
