**Looking Back at That Moment** Ma Ersi,2019-12-30 In just a few seconds the tornado had closed in on Yinyin and the others yacht Unprepared for the tornado's presence the tornado engulfed Yinyin and the others and began to spin rapidly along with the ice cold seawater which was like a thin blade cutting through the delicate skin of Yinyin and the others Yinyin wanted to protect herself but she felt that her arms were too heavy How could she control her four limbs at such a speed Or perhaps her limbs had really been severed only the cold blade had numbed her and made her unconscious In her mind even the beloved Lin Ze's face could not be pieced together Fragments of his face were scattered all over the place but no matter what she could not piece them together No tears no blood just brackish water In the end Yinyin did not leave with Yu Zeyu As a result she slowly lost consciousness Her body which was moving with the sea water no longer belonged to her
