Medieval Paris:

The Margins of Society in Late Medieval Paris Bronislaw Geremek, 2006-04-27 This book discusses the marginal people of late medieval Paris the large and shifting group of men and women who existed on the margins of conventional organized society Professor Geremek examines the various groups which made up the marginal world beggars prostitutes procuresses and pimps petty criminals casual workers and the unemployed their haunts in and around Paris their way of life and their relation to normal society Professor Geremek has made with this book a major contribution to the study of late medieval society which illuminates the little known area of the medieval underworld in a fascinating and very accessible manner Translated by Jean Birrell from the French edition of 1976 this edition includes a new introduction by Jean Claude Schmitt which offers a frank appraisal of the author's life and career to date

The Silk Industries of Medieval Paris Sharon Farmer, 2017 Sharon Farmer analyzes the evidence concerning the medieval silk industry adding new perspectives to our understanding of medieval French history luxury trade labor migration intercultural exchange and gendered work

Intellectual Culture in Medieval Paris Ian P. Wei, 2012-05-03 This book explores the ideas of theologians at the medieval University of Paris and their attempts to shape society Investigating their views on money marriage and sex Ian Wei reveals the complexity of what theologians had to say about the world around them and the increasing challenges to their authority

The Beguines of Medieval Paris Tanya Stabler Miller, 2014-05 In the thirteenth century Paris was the largest city in Western Europe the royal capital of France and the seat of one of Europe's most important universities In this vibrant and cosmopolitan city the beguines women who wished to devote their lives to Christian ideals without taking formal vows enjoyed a level of patronage and esteem that was uncommon among like communities elsewhere Some Parisian beguines owned shops and played a vital role in the city's textile industry and economy French royals and nobles financially supported the beguinages and university clerics looked to the beguines for inspiration in their pedagogical endeavors The Beguines of Medieval Paris examines these religious communities and their direct participation in the city's commercial intellectual and religious life Drawing on an array of sources including sermons religious literature tax rolls and royal account books Tanya Stabler Miller contextualizes the history of Parisian beguines within a spectrum of lay religious activity and theological controversy She examines the impact of women on the construction of medieval clerical identity the valuation of women's voices and activities and the surprising ways in which local networks and legal structures permitted women to continue to identify as beguines long after a church council prohibited the beguine status Based on intensive archival research The Beguines of Medieval Paris makes an original contribution to the history of female religiosity and labor university politics and intellectual debates royal piety and the central place of Paris in the commerce and culture of medieval Europe

Surviving Poverty in Medieval Paris Sharon A. Farmer, 2005 Farmer extends and deepens the understanding of urban poverty in the high middle ages She explores the ways in which cultural elites thought about the poor and shows that their conceptions of

poor men and women were derived from the roles assigned to men and women in the opening chapters of the Book of Genesis men are associated with productive labour of labour within the public realm and women with reproductive labour or labour within the private realm *Aquinas, Bonaventure, and the Scholastic Culture of Medieval Paris* Randall B. Smith, 2021-02-04 By focusing attention on the importance of preaching this book should spur a fundamental reconsideration of scholastic culture and education **Two Medieval Satires on the University of Paris** Louis John Paetow, 1914 *Two Medieval Satires on the University of Paris: The morality of students of John of Garland* Louis John Paetow, 1927 **Two Medieval Satires on the University of Paris: The battle of the seven arts of Henri d'Andeli** Louis John Paetow, 1914 **Public Access to Art in Paris: A Documentary History from the Middle Ages to 1800** , 1999
