Memories Of The Future The Daybooks Of Tina Modotti:

Memories of the Future Margaret Gibson, 1986-04-01 Tina Modotti known to a few as the beautiful Italian actress in Erich von Stroheim's silent film Greed was also a dedicated political activist and photographer whose best work has a powerful dignity and integrity She lived with Edward Weston in post revolutionary Mexico in the 1920s During the Spanish Civil war in the 1930s she was a nurse in Madrid and on various fronts In Spain she knew Antonio Machado and Pablo Neruda who wrote a poem about her after her death in Mexico in 1942 Margaret Gibson's *Memories of the Future* is based on Modotti's vivid but enigmatic life Drawn from daybooks that Gibson imagines Modotti to have kept at the end of her life in Mexico City these poems give us the reflections of a woman whose intensity and vision evident in her own photographs are matched by the depth and breadth of her experience and personal transformation in times of deep social and political upheaval If we could look into the future would we go there In the spiral of hunger's discontent would we go Somehow we go New societies are born much wider than our minds And if for a moment we doubt our bodies remember They believe We make our bodies available to death and therefore live It is the hero's way every woman knows it In their attention to beauty and sensuality light and detail these poems capture the life of the photographer In their unhesitating confrontation with pain and loss they reveal the harsh realities of revolutionary life *Memories of the Future* skillfully unfolds the political and artistic consciousness of a woman of sensibility and strong beliefs It is a major new effort from one of America's best young poets

Flowers and Towers Nira Tessler, 2015-11-25 This book explores the meaning and symbolism of the flower motif in the art of women artists from the nineteenth century to the present day It begins with a discussion of the symbolic significance of the flower in canonical texts such as the Song of Songs in which the female lover is likened to a lily among the thorns and to an enclosed garden These allegorical images permeated into Christian iconography attaining various expressions in the plastic arts from the twelfth through nineteenth centuries The heart of the book is a discussion of the meaning of the change in representations of the flower and at the same time the appearance of amazing images of masculine skyscrapers in the works of avant garde American women artists during the 1920s and 30s in three hubs of Modernist art New York California and Mexico Tessler explains how modernist artists of various fields of art such as Glaspell Stettheimer O Keeffe Pelton Cunningham Mather Modotti and Kahlo were aware of the religious symbolism of the flower in Judaism and Christianity and turned it into an emblem of the new modern woman with her own views of the world *Flowers and Towers* concludes by presenting the works of contemporary feminist American artists such as Chicago and Schapiro who pay tribute to those same Modernist artists by creating a new and daring image of the flower and using feminine materials and techniques that link them as it were to their spiritual mothers

Thrall **The Wound and the Dream** Cary Nelson, 2002 When the United States and other powers declined to help fight fascist power at the onset of the Spanish Civil War forty thousand private citizens from fifty two countries rallied to join the International Brigade s defense of the Spanish Republic Born out of the struggle between fascism and democracy and considered the first battle of World War II the Spanish Civil War holds tremendous ideological significance and has inspired a remarkable range of American poetry The Wound and the Dream represents the sixty year tradition of American poetic responses to the Spanish Civil War and provides an overview of progressive American poetry as a whole Four of the featured poets Alvah Bessie William Lindsay Gresham James Neugass and Edwin Rolfe were members of the International Brigade Their poetry appears alongside lesser known works by some of the greatest American poets of the twentieth century including Wallace Stevens Edna St Vincent Millay Randall Jarrell Langston Hughes and Philip Levine Cary Nelson s introduction discusses the collective nature of the poems puts them in their international context and provides a sturdy framework for interpreting the Spanish Civil War as a historical conjecture that has dramatically altered the ways we read and write poetry The book also includes a brief biography of each poet and a glossary of related terms Icon and Evidence Margaret Gibson, 2001-10-01 With Icon and Evidence Margaret Gibson gives us poems grounded in reverence and inquiry and sensuous delight She extends and enriches the lyric poem finding it capacious and durable enough to embrace short and longer meditations epistles persona poems and narratives Whether their concerns are intimate spiritual or social these are poems of atonement essentially faithful to experience and its revelations more so than to any specific creed or doctrine The task to be faithful is both aesthetic and spiritual to use words faithfully is how Gibson clarifies her encounters with the Absolute within the relative and mutable things of this world The opening poem situates the poet beneath an endless sky of stars and dark emptiness But dear God all I want is to be here my tiny anguish and my joy a moment s notice an equivalent cry The book divides into four sections Canticle Complaint Confession and Compline Like the Psalms the poems praise with one voice then turn to note human failure error and injustice They contemplate the ways of desire then enter the mission of solitude turning from social practice to meditative practice summoned into pain and darkness by an intrepid joy Traditionally one who makes an icon does so in an attitude of contemplation the finished icon uniting image and spirit in a presence that challenges and confronts the one who stands before it Evidence has the force of both data and document but it also includes the evidence of things not seen In this rich and powerful collection Gibson uses both icon and evidence to probe the human heart its entanglements and its freedom **Light Writing & Life Writing** Timothy Dow Adams, 2000 On the surface the use of photography in autobiography appears to have a straightforward purpose to illustrate and corroborate the text But in the wake of poststructuralism the role of photography in autobiography is far from simple or one dimensional **Yellow Shoe Poets** George Garrett, 1999-10-01 Since 1964 when Louisiana State University Press published its inaugural book of verse Miller Williams s A Circle of Stone its poetry list has grown exponentially 191 books by 93 poets into a program that

inspires understandable pride in those associated with it Two collections have won the Pulitzer Prize The Flying Change 1986 by Henry Taylor and Alive Together 1996 by Lisel Mueller Another book by Mueller The Need to Hold Still 1980 won the National Book Award while several other LSU titles have been finalists for that distinction most recently The Fields of Praise 1997 by Marilyn Nelson and The Vigil 1993 by Margaret Gibson Dozens more have been recognized for their excellence through a host of various honors The Press publishes the winner of the annual Walt Whitman Award given by The Academy of American Poets for a first collection and in 1996 it launched the Southern Messenger series in collaboration with Dave Smith bringing two shining works into the fold each year The appearance of The Collected Poems of Robert Penn Warren in 1998 meant for the Press the realization of a long dearly held dream To mark this thirty five year old tradition as the century and millennium turn and to offer a sampling of its richness The Yellow Shoe Poets a retrospective anthology was compiled under the editorship of George Garrett a longtime colleague of the Press and the author of eight poetry volumes Say the LSU poets real fast with a southern drawl and you get the ridiculously wonderful moniker that poet Elizabeth Seydel Morgan s young friend innocently mistook for this noble band It s an image Brendan Galvin has appropriated to a perfect fit in his poem Yellow Shoe Poet written on behalf of his fellow yellow shoes across the years All 173 poems are taken from LSU Press books and were selected by the poets themselves if living Arranged alphabetically by author they consist of at least one poem from every poet published by the Press Goethe s admonition that one ought every day at least to read a good poem can find no better starting point than in The Yellow Shoe Poets *Vital Signs* Ronald Wallace, 1989 This anthology includes 179 poets published by university presses in recent years It seeks to provide a rich overview of the best contemporary American poetry irrespective of publisher age of poet aesthetic program or current status in the literary canon to celebrate the work of university presses in discovering and supporting that poetry and to suggest some questions about American poetry its democratization canonization aesthetics politics and sociology The volume includes brief histories of poetry publishing at each press their poetry lists and an essay on the American poetry scene of the last 20 years It features poems by such established poets as John Ashbery Marge Piercy Adrienne Rich and James Wright ISBN 0 299 12160 7 29 95 *Fast Break to Line Break* Todd Davis, 2012-02-01 If baseball is the sport of nostalgic prose basketball s movement myths and culture are truly at home in verse In this extraordinary collection of essays poets meditate on what basketball means to them how it has changed their perspective on the craft of poetry how it informs their sense of language the body and human connectedness how their love of the sport made a difference in the creation of their poems and in the lives they live beyond the margins Walt Whitman saw the origins of poetry as communal oral myth making The same could be said of basketball which is the beating heart of so many neighborhoods and communities in this country and around the world On the court and on the page this poetry in motion can be a force of change and inspiration leaving devoted fans wonderstruck
