Memories Of 19601961:

Dad's Best Memories and Recollections Charles J. Humber, 2016-01-20 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections

Memories of Cornell College Dave Adkins, 2013-07-15 I wrote two previous books about my home town of Grinnell Iowa a nostalgic historical approach I have done something similar here with Memories of Cornell College 1957 1962 it is also nostalgic historic and I reflect on my time at Cornell some memories pleasant enough others not so pleasant In one of the final scenes of Cambridge Spies a non fiction BBC presentation of the story of a small group of privileged Englishmen who betrayed their country and the Allies and spied for the Soviet Union from the 1930 s 1950 s Anthony Blunt one of the men in question and Professor of Art History at the University of London at the time was walking down a busy London street Someone who recognized him said Mr Blunt I believe Yes you were at Cambridge with Philby Burgess and McClain How are they Went on to bigger and better things I imagine Blunt hesitated then smiled and replied Yes bigger and better things At the time Burgess and McClain had just escaped to the Soviet Union Philby was in the process of catching a midnight steamer from Beirut to Odessa and Blunt was to be revealed then stripped of his Knighthood and ridiculed publicly The men I focus on in this book were not spies in fact one Captain Ron Zinn lost his life in a firefight in Viet Nam in 1965 and another Colonel Jerry Huml served in the RVN twice and had a distinguished U S Marine Corps career but yes they all did without question go on to bigger and better things things which make Cornell look very good Dorr Zinn Robison Beamer Weeden Sunderlage Hilmer Taylor Huml Altenberg and others yes bigger and better things This book is about life on the Hill Top over 50 years ago as I saw it and its impact on me later Dave Adkins
