Memories of My Gay Brothers Michael T. Roper,2001-03-20 I could never have imagined what the future had in store for me and my Castro Street friends when I began a memory book in 1985 This is my memoir of more than ninety people I knew in San Francisco who died of AIDS It was the decimation of a thriving culture in just over a decade Who cares We all should

Dad's Best Memories and Recollections Charles J. Humber,2016-01-20 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections

Surviving the Ultimate Workplace Bully - My Story William Johnson,2021-06-16 When I had been bullied in school for being gay I could not have imagined that years later I would be bullied the workplace but I was and not just for being gay Many books have been written about kids being bullied in school but very few books have been written about people being bullied in the workplace I had to ask myself why that was The answer was simple because most folks who are bullied in the workplace whether they be male or female are most times terrified to come forward and report to

higher management that someone or more than one someone whether they be male or female is bullying them Why are victims of bullies in the workplace terrified to report it to upper management or HR Because as you will see in my book most times when a person is being bullied in the workplace it is being done by someone in upper management and as I have found out HR will stand by the bully in upper management And yes bullies in the workplace can be male or female as I sadly found out for myself
