

The background of the entire slide is a close-up, slightly blurred image of the American flag, showing the stars and stripes in a dynamic, waving pattern.

The **MEN** *who shaped America*

Hamilton, Madison and Jefferson: it is critical to understand the differences between their views, and that the same tension still underlies American politics today, writes **Richard Allsop**.

Faint, semi-transparent portraits of Alexander Hamilton, James Madison, and Thomas Jefferson are overlaid on the bottom half of the slide. They are arranged in a row, with Hamilton on the left, Madison in the center, and Jefferson on the right. The portraits are rendered in a style that blends with the background, appearing as if they are part of the fabric or the sky.
