Men And Mountains:

Of Men and Mountains William O. Douglas, 2013-04-16 William O Douglas was one of that rare mix of man that helped define America a judge of the supreme court and also a lifelong outdoorsman This is his story in his words and conveys the joy he felt for the wild untouched vastness of the great forests and the high snow capped peaks which he pitted himself against Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

Men to Match My Mountains Irving Stone, 1987-03-15 Acclaimed author of biographical and historical fiction Irving Stone turns his magnificent talent to telling America s most colorful and exciting story the opening of the Far West Men to Match My Mountains is a true historical masterpiece an unforgettable pageant of giants men like John Sutter whose dream of paradise was shattered by the California Gold Rush Brigham Young and the Mormons who tamed the desert with Bible texts and the silver kings and the miners who developed Nevada s Comstock Lode and settled the Rockies America called for greatness and got it There is nothing in history to match the stories of these men who braved wilderness to bring new nation to the shores of the Pacific

When Men & Mountains Meet Harold William Tilman, 1947

Men to Match my

Mountains Irving Stone,1956 *Men of the Mountains* Jesse Stuart,1979 **When Men & Mountains Meet** H.W. Tilman,2016-03-28

We had climbed a mountain and crossed a pass been wet cold hungry frightened and withal happy One more Himalayan season was over It was time to begin thinking of the next Strenuousness is the immortal path sloth is the way of death First published in 1946 the scope of H W Bill Tilman s *When Men and Mountains Meet* is broad covering his disastrous expedition to the Assam Himalaya a small exploratory trip into Sikkim and then his wartime heroics In the thirties Assam was largely unknown and unexplored It proved a challenging environment for Tilman s party the jungle leaving the men mosquito bitten and suffering with tropical diseases and thwarting their mountaineering success Sikkim proved altogether more successful Tilman who is once again happy and healthy enjoys some exploratory ice climbing and discovers Abominable Snowman tracks particularly remarkable as the creature appeared to be wearing boots there is no reason why he should not have picked up a discarded pair at the German Base Camp and put them to their obvious use And then in 1939 war breaks out With good humour and characteristic understatement we hear about Tilman s remarkable Second World War After digging gun pits on the Belgian border and in Iraq he was dropped by parachute behind enemy lines to fight alongside Albanian and Italian partisans Tilman was awarded the Distinguished Service Order for his efforts and the keys to the city of Belluno which he helped save from occupation and destruction Tilman s comments on the German approach to Himalayan climbing could equally be applied to his guerrilla warfare ethos They spent a lot of time and money and lost a lot of climbers and porters through bad luck and more often through bad judgement While elsewhere the war machine rumbled on Tilman s war was fast exciting lightweight and foolhardy and makes for gripping reading
