Men In War:

Men At War: What Fiction Tells us About Conflict, From The Iliad to Catch-22 Christopher Coker, 2014-05-01
Since Achilles first stormed into our imagination literature has introduced its readers to truly unforgettable martial characters In Men at War Christopher Coker discusses some of the most famous of these fictional creations and their impact on our understanding of war and masculinity Grouped into five archetypes warriors heroes villains survivors and victims these characters range across 3000 years of history through epic poems the modern novel and one of the twentieth century s most famous film scripts Great authors like Homer and Tolstoy show us aspects of reality invisible except through a literary lens while fictional characters such as Achilles and Falstaff Robert Jordan and Jack Aubrey are not just larger than life they are life s largeness and this is why we seek them out Although the Greeks knew that the lovers wives and mothers of soldiers are the chief victims of battle for the combatants war is a masculine pursuit Each of Coker s chapters explores what fiction tells us about war s appeal to young men and the way it makes and breaks them The existential appeal of war too is perhaps best conveyed in fictional accounts and these too are scrutinized by the author Men of War Jessica Meyer, 2016-04-30
Exploring how understandings of masculinity were constructed by British First World war servicemen through examination of their personal narratives including letters home from the front and wartime diaries This book presents a nuanced investigation of masculine identity in Britain during and after the First World War **Men of War** Harrison Hunt, 1991
Features 100 portraits of men who made contributions to the art of war in the 20th century *Reel Men at War* Ralph Donald, Karen MacDonald, 2011-04-18
As they transition into adulthood many American boys and young men spend a considerable amount of time engaging in physical sports playing violent video games and watching action movies including war films In many cases boys spend more time exposed to media models than they do with their fathers If as social learning theorists say masculinity is learned directly through a system of positive and negative reinforcement what manly behaviors do war films clearly define and reinforce And what unmanly behaviors do war films clearly prohibit In *Reel Men at War* Masculinity and the American War Film authors Ralph Donald and Karen MacDonald consider the influence that war films bring to bear on the socialization of young boys in America Analyzing nearly 150 American war films and television programs this book considers such issues as major male stereotypes both positive and negative in film the influence of sports as an alternate to mortal combat why men admire war and value winning so highly and how war films define manly courage Throughout the book the authors comment on the depiction of post traumatic stress disorder the stages of grief and suicide in war films as well as applying Jungian and Freudian theories to war and soldiering *Reel Men at War* will be of interest not only to professors and students of cinema and mass communications but also to scholars of history gender studies and sociology Selected Stories Of Men At War Various Authors, 2014-05-06
The five classic stories included in *Selected Stories of Men at War* reveal the lasting effects of war on soldiers serving on the frontlines and on the families left behind

This special ebook bundle includes the classic Civil War stories *An Occurrence at Owl Creek Bridge* by Ambrose Bierce and *The Red Badge of Courage* by Stephen Crane as well as Ernest Hemingway's *For Whom the Bell Tolls* about the Spanish Civil War and the enduring First World War tales *A Farewell to Arms* by Ernest Hemingway and *The Return of the Soldier* by Rebecca West. HarperPerennial Classics brings great works of literature to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Men, Masculinities and Male Culture in the Second World War Linsey Robb, Juliette Pattinson, 2017-11-04 This edited collection brings together cutting edge research on British masculinities and male culture considering the myriad ways British men experienced understood and remembered their exploits during the Second World War as active combatants prisoners and as civilian workers. It examines male identities roles and representations in the armed forces with particular focus on the RAF army volunteers for dangerous duties and prisoners of war and on the home front with case studies of reserved occupations and Bletchley Park and examines the ways such roles have been remembered in post war years in memoirs film and memorials. As such this analysis of previously underexplored male experiences makes a major contribution to the historiography of Britain in the Second World War as well as to socio cultural history cultural studies and gender studies.

Fighting Men of the Civil War William C. Davis, Russ A. Pritchard, 1998 Documents the everyday life of the common soldier during the Civil War including information on what life was like for the soldiers in basic training combat and imprisonment.

J de Juegos Presents: Men of War Unofficial Strategy Guide, *Stephen E. Ambrose The Men of War E-book Box Set* Stephen E. Ambrose, 2013-06-11 This ebook box set includes books by Stephen E. Ambrose that bring into focus the men and women who fought in World War II. *The Victors* A breathtaking work that follows the momentous events of the war from D Day through to the final days centering this epic drama on the citizen soldiers the boys who became men as they fought proving eventually unbeatable. A compelling celebration of military genius and heroism and of camaraderie and courage. *Citizen Soldiers* A riveting account that follows the individual characters of World War II from the high command down to the ordinary soldier drawing on hundreds of interviews to re create the war experience with startling clarity and immediacy. From the hedgerows of Normandy to the overrunning of Germany this is the real story of World War II from the perspective of the men and women who fought it. *Wild Blue* Following this exceptional band of brothers the young men who flew the B 24s over Germany in World War II against terrible odds Ambrose recounts their extraordinary brand of heroism skill daring and comradeship with the vivid detail and affection.

[The Army Air Forces in World War II: Men and planes](#), 1948
