Men Power And Myths The Quest For Male Identity

**Isabelle Meier, Murray Stein, Paul
Brutsche, Deborah Egger**

Men Power And Myths The Quest For Male Identity:

Men, Power, and Myths Allan Guggenbühl, 1997 In this book Jungian analyst Allan Guggenbühl develops a completely new psychological theory about men His idea is that traditional psychology has failed to tackle the main objectives that motivate men in their private and public lives When men dedicate themselves to work fight for social causes start families or get crazy over sports they are enacting concealed mythic patterns patterns that lie at the very heart of our culture Men have a natural affinity for myth and mythmaking which Guggenbühl maintains results in grandiose aspirations and what often appears to be the purest sort of self indulgence At the same time such thinking also helps to explain a seeming helplessness that men have in dealing with their own feelings Once all of this is understood Guggenbühl maintains a true equality in relationships based on the differences between the sexes can also be attained Men can thereby achieve a greater understanding and more realistic appreciation of their strengths and weaknesses

New Testament Masculinities

Stephen D. Moore, J. C. a. Anderson, 2004 This collection considers themes of Christology patriarchy violence colonialism family structures and sexual practices as it explores the construction and performance of masculinity in the New Testament and related early Christian texts Examining the Gospels Romans the Pastorals Revelation and the Shepherd of Hermas it situates diverse masculinities within a Greco Roman matrix and introduces biblical scholarship to a rich vein of classical scholarship on gender The contributors include Janice Capel Anderson David J A Clines Colleen M Conway Mary Rose D Angelo Page duBois Chris Frilingos Jennifer A Glancy Maud W Gleason Stephen D Moore Jerome H Neyrey Seong Hee Kim Jeffrey L Staley Diana M Swancutt Tat siong Benny Liew and Eric Thurman Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

Bound and Unbound Zowie Davy, Julia Downes, Lena Eckert, 2009-05-05 This edited book has developed from the themes connections and disjunctures that emerged from a two day postgraduate conference on Thinking Gender The Next Generation in 2006 at the University of Leeds The editorial collective is comprised by Zowie Davy Julia Downes Dario Llinares and Ana Cristina Santos from the Centre for Interdisciplinary Gender Studies CIGS University of Leeds Lena Eckert from the University of Utrecht and Natalia Gerodetti who is a Senior Lecturer at Leeds Metropolitan University

Spaces of Masculinities Kathrin Hörschelmann, Bettina van Hoven, 2013-03-07 Changing circumstances in Western and global societies have introduced new constraints and opportunities for men and the formation of male identities Meanwhile the emerging diversity of atypical identities atypical when compared with traditional conceptions of middle class white heterosexual men poses new challenges for the production and use of spaces Spaces of Masculinities provides a comprehensive introduction to the innovative and diverse research on spaces of masculinity Drawing on a variety of geographical research projects the central concern of the book is to highlight the significance of research on masculinity in sociological and geographical work dealing with constructions of gender

Wisdom of the Psyche Ginette

Paris, 2013-12-16 In the quest for identity and healing what belongs to the humanities and what to clinical psychology Ginette

Paris uses cogent and passionate argument as well as stories from patients to teach us to accept that the human psyche seeks to destroy relationships and lives as well as to sustain them This is very hard to accept which is why so often the body has the painful and dispiriting job of showing us what our psyche refuses to see In jargon free language the author describes her own story of taking a turn downwards and inwards in the search for a metaphorical personal death If this kind of mortality is not attended to then more literal bodily ailments and actual death itself can result Paris engages with one of the main dilemmas of contemporary psychology and psychotherapy how to integrate findings and insights from neuroscience and medicine into an approach to healing founded upon activation of the imagination At present she demonstrates what is happening is damaging to both science and imagination

The Astronaut Dario Llinares,2011-05-25 The Astronaut Cultural Mythology and Idealised Masculinity interrogates the historical and cultural dynamics of one of the most revered icons of the 20th century Analysing a diverse range of cultural representations the book postulates the construction of an intertextual mythology through which the astronaut becomes an embodiment of American ideological values and heroic manhood The discursive processes at work in the range of media texts examined serve to embed the astronaut into the cultural imaginary as a largely coherent and uncontested exemplar of idealised masculinity Using a range of interdisciplinary analytical tools the book examines how the social construction of this masculine ideal iterates and naturalises gender hegemony The book situates the astronaut within the context of a modern postmodern theoretical framework linking shifts in gender perspectives to the contradictory narratives and characterisations that inform the mediation of the astronaut In so doing the book argues for a re evaluation of the often oversimplified use of the term hegemonic masculinity as an anchoring point for the critique of masculinity The strength of this work is its interdisciplinary diversity and its interconnection of a range of themes including gender representation history ideology the postmodern and the media Drawing upon contemporary theoretical debates while redeploying seminal theoretical texts the book offers new cultural interrogations of a highly familiar historical subject

The Womanist Reader Layli Phillips,2006-09-19 Comprehensive in its coverage The Womanist Reader is the first volume to anthologize the major works of womanist scholarship Charting the course of womanist theory from its genesis as Alice Walker s African American feminism through Chikwenye Okonjo Ogunyemi s African womanism and Clenora Hudson Weems Africana womanism to its present day expression as a global anti oppressionist perspective rooted in the praxis of everyday women of color this interdisciplinary reader traces the rich and diverse history of a quarter century of womanist thought Featuring selections from over a dozen disciplines by top womanist scholars from around the world plus several critiques of womanism an extensive bibliography of womanist sources and the first ever systematic treatment of womanist thought on its own terms Layli Phillips has assembled a unique and groundbreaking compilation

Education and Imagination Raya Jones,Austin Clarkson,Sue Congram,Nick Stratton,2008-06-30 This edited book explores the application of Jungian perspectives in educational settings

ISAPZURICH: A Journey Isabelle Meier, Murray Stein, Paul Brutsche, Deborah Egger, 2015-05-09 The book contains contributions for the 10th anniversary of ISAPZURICH the International School of Analytical Psychology in Zurich Several authors explain why they left the C G Jung Institute in Kusnacht in 2004 and why they founded ISAPZURICH In addition there are contributions describing the particular identity and image which have evolved around ISAPZURICH in recent years

Promoting the Emotional Well Being of Children and Adolescents and Preventing Their Mental Ill Health

Kedar Nath Dwivedi, Peter Harper, 2004-07-15 It provides overviews of the key psychological processes affecting mental health such as development attachment emotion regulation attention and draws out the implications for preventive measures There is emphasis on the importance of how initiatives in parenting and education can promote children s emotional well being
