Mennonite Martyrs:

Mennonite Martyrs Aron A. Toews, 1990 Nothing happens by chance in the lives of people who belong to the Lord Everything occurs according to the unfathomable but wise decree of our God Such is the case with the stories in this book Mennonitische Martyrer was an attempt to collect information about the fate of Mennonite ministers during the 1920s 1930s and 1940s This compilation resulted in a two volume set including biographical sketches poems and narrative accounts Mennonite Martyrs now provides English speaking people the opportunity to gain inspiration and make commitments because of the challenge that this modern martyrology brings The stories of faithfulness suffering and death demand a response from the reader *Martyrs Mirror* David Weaver-Zercher, 2016-03-15 The first scholarly history of the iconic Anabaptist text Approximately 2 500 Anabaptists were martyred in sixteenth and early seventeenth century Europe Their surviving brethren compiled stories of those who suffered and died for the faith into martyr books The most historically and culturally significant of these The Bloody Theater more commonly known as Martyrs Mirror was assembled by the Dutch Mennonite minister Thieleman van Braght and published in 1660 Today next to the Bible it is the single most important text to Anabaptists Amish Mennonites and Hutterites In some Anabaptist communities it is passed to new generations as a wedding or graduation gift David L Weaver Zercher combines the fascinating history of Martyrs Mirror with a detailed analysis of Anabaptist life religion and martyrdom He traces the publication use and dissemination of this key martyrology across nearly four centuries and explains why it holds sacred status in contemporary Amish and Mennonite households Even today the words and deeds of these martyred Christians are referenced in sermons Sunday school lessons and history books Weaver Zercher argues that Martyrs Mirror was designed to teach believers how to live a proper Christian life In van Braght's view accounts of the martyrs helped to remind readers of the things that mattered thus inspiring them to greater faithfulness Martyrs Mirror remains a tool of revival offering new life to the communities and people who read it by revitalizing Anabaptist ideals and values Meticulously researched and illustrated with sketches from early publications of Martyrs Mirror Weaver Zercher's ambitious history weaves together the existing scholarship on this iconic text in an accessible and engaging way **The Forgotten Writings of the Mennonite Martyrs** Brad Stephan Gregory, 2002-01-01 This volume reproduces hitherto neglected writings by seven late sixteenth century Dutch Mennonite martyrs which were originally published between 1577 and 1609 making readily available important new primary sources for scholars of the Radical Reformation **Desiring Martyrs** Harry O. Maier, Katharina Waldner, 2020-12-16 Martyrs create space and time through the actions they take the fate they suffer the stories they prompt the cultural narratives against which they take place and the retelling of their tales in different places and contexts The title Desiring Martyrs is meant in two senses First it refers to protagonists and antagonists of the martyrdom narratives who as literary characters seek martyrs and the way they inscribe certain kinds of cultural and social desire Second it describes the later celebration of martyrs via narrative

martyrdom acts monuments inscriptions martyria liturgical commemoration pilgrimage etc Here there is a cultural desire to tell or remember a particular kind of story about the past that serves particular communal interests and goals By applying the spatial turn to these ancient texts the volume seeks to advance a still nascent social geographical understanding of emergent Christian and Jewish martyrdom It explores how martyr narratives engage pre existing time space configurations to result in new appropriations of earlier traditions

Martyrdom Ihab Saloul, Jan Willem Henten, 2025-10-01 The phenomenon of martyrdom is more than 2000 years old but as contemporary events show still very much alive Martyrdom Canonisation Contestation and Afterlives examines the canonisation contestation and afterlives of martyrdom and connects these with cross cultural acts and practices of remembrance Martyrdom appeals to the imagination of many because it is a highly ambiguous spectacle with thrilling deadly consequences Imagination is thus a vital catalyst for martyrdom for martyrs become martyrs only because others remember and honour them as such This memorialisation occurs through rituals and documents that incorporate and re interpret traditions deriving from canonical texts The canonisation of martyrdom generally occurs in one of two ways First through ritual commemoration by communities of inside readers listeners viewers and participants who create and recycle texts re interpreting them until the martyrs ultimately receive a canonical status or second through commemoration as a means of contestation by competing communities who perceive these same people as traitors or terrorists By adopting an interdisciplinary orientation and a cross cultural approach this book goes beyond both the insider admiration of martyrs and the partisan rejection of martyrdoms and concisely synthesises key interpretive questions and themes that broach the canonised unstable and contested representations of martyrdom as well as their analytical connections divergences and afterlives in the present
