Friendship Pamela Baker Powell, 2024-04-12 We all need friends

This book is an exploration of Christian friendship. It turns out that friendship has one surprising overlooked almost forgotten spiritual quality. Friendship in Christ is eternal. Scripture emphasizes this. Jesus himself emphasized this. Theologians emphasized this throughout the first thousand plus years of Christian history. Then it was somehow mostly neglected. This book maintains that friendship isn't just a passing luxury. Participation in the joy of friendship is a spiritual blessing. It is an unrecognized spiritual discipline that enriches your soul eternally. Here you will have an opportunity to consider your friendships as more than a pleasant engagement and discover what they can mean for your life today and eternally. Join others on this exploration of the exciting truth that friendships are forever.

Success Tips Part-1 N.K. Raizer, *Literary Paternity, Literary Friendship* Gerhard Richter, 2020-05-01. The twenty-one original essays in this volume offer a rigorous reconsideration of modern forms of paternity and friendship as they emerge in works by writers and philosophers from the eighteenth through the twentieth century. Exploring various models of these twin themes, contributors examine writings of canonical figures such as Goethe, Schiller, Herder, Kleist, and Brentano, as well as Kafka, Benjamin, and Arendt. Together the essays combine an emphasis on the German literary philosophical tradition with comparative approaches, offering both theoretical discussions and sophisticated readings of crucial texts that have helped shape our contemporary literary engagement with paternity and friendship. This collection honors Stanley Corngold, an influential scholar and teacher who taught German at Princeton University for more than forty years.
