Menuhin A Family Portrait:

Menuhin: A Family Portrait Tony Palmer, 2016-02-26 The text for this book arose from materials the author collected while making a television biography of Yehudi Menuhin Of course what a book cannot include is the sound of Yehudi playing without which it might be argued no biography of Menuhin is complete It was first transmitted on Channel Four Television in Britain to celebrate Yehudi's seventy fifth birthday What follows therefore is not biography in the strictest sense although it gives the illusion of chronology and all its facts as far as I can ascertain are correct Rather it is an impression of the man and his artistry through the words principally of his family living or dead

Menuhin Sir Humphrey Burton, 2016-12-19 Since 2000 when this biography was first published Menuhin's name has not faded from public attention as often happens in the decades after the death of a popular performing artist Far from it the centenary of his birth April 22 1916 is being marked by celebrations around the world Yehudi Menuhin was born in New York of Russian Jewish immigrants Prodigiously gifted the Miracle Boy gave his first solo recital aged eight and within five years was world famous Menuhin was a visionary individualist who didn't mind shocking the establishment His post war support for the conductor Wilhelm Furtwängler and his determination to build bridges with the defeated German nation brought him into sharp conflict with the Jewish establishment and DPs in Berlin Later he spoke out against apartheid in South Africa and denounced the Soviet Union's oppressive policy towards writers and dissidents Drawing on contemporary sources unpublished family correspondence and radio interviews Burton creates a compelling portrait of an extraordinary human being one of the best loved classical musicians of the twentieth century

Newcomers' Lives Peter Unwin, 2013-01-31 How the culture and life of the British people have been transformed by the contribution of immigrants in recent history

The Power of Practice Kristin Wendland, 2024-01-01 The Power of Practice showcases the pioneering achievements of renowned violinist Yehudi Menuhin 1916-99 and how both disciplines transformed his life and practice Menuhin's contributions as a performer teacher and humanitarian are celebrated around the world Less well known however is Menuhin's devotion to the practice of yoga and his close friendship with the renowned yogi B K S Iyengar 1918-2014 whose guidance profoundly influenced Menuhin as both a musician and a philanthropist Menuhin applied his understanding of Iyengar's teachings to his philosophy of musical practice creating new ways to approach the teaching of violin technique He also took broader lessons from yoga to inform his approach to interacting with the larger world as a cultural ambassador and influential artist Through the lens of the life and work of the celebrated violinist and devoted yogi this book uncovers deep connections between music and yoga It shows how the practice of both disciplines can profoundly transform our world into a better place

The Harvard Biographical Dictionary of Music Don Michael Randel, 1996 Biographical dictionary emphasizes classical and art music also gives ample attention to the classics as well as Jazz Blues rock and pop and hymns and showtunes across the ages
