New Essays On Poes Major Tales:

New Essays on Poe's Major Tales ,2000 **New essays on Poe's major tales** ,1993 New essays on Poe's major tales ANON.,1993 Poe, Queerness, and the End of Time Paul Christian Jones,2022-05-16 This book builds upon recent theoretical approaches that define queerness as more of a temporal orientation than a sexual one to explore how Edgar Allan Poe s literary works were frequently invested in imagining lives that contemporary readers can understand as queer as they stray outside of or aggressively reject normative life paths including heterosexual romance marriage and reproduction and emphasize individuals present desires over future plans The book s analysis of many of Poe s best known works including The Raven The Fall of the House of Usher The Black Cat The Masque of the Red Death and The Murders in the Rue Morgue show that his attraction to the liberation of queerness is accompanied by demonstrations of extreme anxiety about the potentially terrifying consequences of non normative choices While Poe never resolved the conflicts in his thinking this book argues that this compelling imaginative tension between queerness and temporal normativity is crucial to understanding his canon

The Oxford Handbook of Edgar Allan Poe J. Gerald Kennedy,Scott Peeples,Caleb Doan,2019 This handbook is currently in development with individual articles publishing online in advance of print publication At this time we cannot add information about unpublished articles in this handbook however the table of contents will continue to grow as additional articles pass through the review process and are added to the site Please note that the online publication date for this handbook is the date that the first article in the title was published online Compassion Paul Gilbert,2004-08-02 What is compassion how does it affect the quality of our lives and how can we develop compassion for ourselves and others Humans are capable of extreme cruelty but also considerable compassion Often neglected in Western psychology this book looks at how compassion may have evolved and is linked to various capacities such as sympathy empathy forgiveness and warmth Exploring the effects of early life experiences with families and peers this book outlines how developing compassion for self and others can be key to helping people change recover and develop ways of living that increase well being Focusing on the multi dimensional nature of compassion international contributors explore integrative evolutionary social constructivist cognitive and Buddhist approaches to compassion consider how and why cruelty can flourish when our capacities for compassion are turned off especially in particular environments focus on how therapists bring compassion into their therapeutic relationship and examine its healing effects describe how to help patients develop inner warmth and compassion to help alleviate psychological problems Compassion provides detailed outlines of interventions that are of particular value to psychotherapists and counsellors interested in developing compassion as a therapeutic focus in their work It is also of value to social scientists interested in pro social behaviour and those seeking links between Buddhist and Western psychology

Compassion Lauren Berlant,2014-03-14 In Compassion ten scholars draw on literature psychoanalysis and social history to provide an archive of cases and genealogies of compassion Together these essays demonstrate how being compassionate

is shaped by historical specificity and social training and how the idea of compassion takes place in scenes that are anxious volatile surprising and even contradictory **Retrospective Poe** José R. Ibáñez Ibáñez, Santiago Rodríguez

Guerrero-Strachan, 2023-01-01 This book analyzes a range of Edgar Allan Poe's writing focusing on new readings that engage with classical and post modern studies of his work and the troubling literary relationship that he had with T S Eliot Whilst the book examines Poe's influence in Spain and how his figure has been marketed to young and adult Spanish reading audiences it also explores the profound impact that Poe had on other audiences such as in America Greece and Japan from the nineteenth to the twenty first century The essays attest to Poe's well deserved reputation his worldwide legacy and his continued presence in global literature This book will appeal particularly to university teachers Poe scholars graduate students and general readers interested in Poe's oeuvre *The Cambridge Companion to Edgar Allan Poe* Kevin J.

Hayes, 2002-04-25 This collection of specially commissioned essays by experts in the field explores key dimensions of Edgar Allan Poe's work and life Contributions provide a series of alternative perspectives on one of the most enigmatic and controversial American writers The essays specially tailored to the needs of undergraduates examine all of Poe's major writings his poetry short stories and criticism and place his work in a variety of literary cultural and political contexts They situate his imaginative writings in relation to different modes of writing humor Gothicism anti slavery tracts science fiction the detective story and sentimental fiction Three chapters examine specific works The Narrative of Arthur Gordon Pym The Fall of the House of Usher The Raven and Ulalume The volume features a detailed chronology and a comprehensive guide to further reading and will be of interest to students and scholars alike **Consumer Culture Theory** Domen Bajde, Dannie

Kjeldgaard, Russell W. Belk, 2019-04-10 The twentieth volume of Research in Consumer Behavior presents twelve chapters selected from the best papers submitted at the 13th annual Consumer Culture Theory Conference 2018 The book explores three narrative lines that were prevalent during the conference Objects and their doings Glocalization and Constituting Markets
