New Frontiers In Middle East Securi:

New Frontiers in Middle East Security Lenore G. Martin, 1999 Using an interdisciplinary approach to chart a new course for national security research and policy making in the turbulent region of the Middle East this book is from the author of *The Unstable Gulf* 1984

Redefining security in the Middle East Tami Jacoby, Brent Sasley, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license For over five decades the Cold War security agenda was distinguished by the principal strategic balance that of a structure of bipolarity between the United States US and the Soviet Union USSR This book seeks to draw from current developments in critical security studies in order to establish a new framework of inquiry for security in the Middle East It addresses the need to redefine security in the Middle East The focus is squarely on the Arab Israeli context in general and the Palestinian Israeli context in particular The character of Arab Israeli relations are measured by the Israeli foreign policy debate from the 1950s to the 1990s A dialogue between Islam and Islamism as a means to broaden the terrain on which conflict resolution and post bipolar security in the Middle East is to be understood is presented The Middle East peace process MEPP was an additional factor in problematizing the military strategic concept of security in the Middle East The shift in analysis from national security to human security reflects the transformations of the post Cold War era by combining military with non military concerns such as environmental damage social unrest economic mismanagement cultural conflict gender inequity and radical fundamentalism By way of contrast to realist international relations IR theory developing world theorists have proposed a different set of variables to explain the unique challenges facing developing states Finally the book examines the significance of ecopolitics in security agendas in the Middle East

Regional Security in the Middle East, Regional Security in the Middle East Pinar Bilgin, 2004-09-09 This is an accessible yet critical analysis of regional security in the Middle East Using a non realist approach Bilgin provides a comprehensive study of the past present and future of security in the region She also considers the question of identity formation explaining how and why various regional representations came into being and explor

New Frontiers in Conflict Management, Peace Economics and Peace Science Madhumita Chatterji, Partha Gangopadhyay, 2021-02-15 This volume will improve our collective understanding of how to fight humanity's persistent and tragic problems with conflicts climate shocks and disasters The authors of this volume will offer deep insights from their research into the nature of evolving challenges to both global and local sustainability **Counter-Narratives** M.

Al-Rasheed, R. Vitalis, 2004-03-17 Saudi Arabia and Yemen are two countries of crucial importance in the Middle East and yet our knowledge about them is highly limited while typical ways of looking at the histories of these countries have impeded understanding Counter Narratives brings together a group of leading scholars of the Middle East using new theoretical and methodological approaches to cross examine standard stories whether as told by Westerners or by Saudis and Yemenis and these are found wanting The authors assess how grand historical narratives such as those produced by states and colonial powers are currently challenged by multiple historical actors a process which generates alternative narratives about identity the state and society **Environmental Challenges** Shimson Belkin, 2012-12-06 In the summer of 1999 an international

group of experts convened in Jerusalem Israel in order to define the major environmental challenges facing humanity at the dawn of the new millennium and where possible propose ways of addressing them Almost 50 selected articles are collected in the present book which constitutes a striking interdisciplinary combination of state of the art science with the latest views on environmental law education and international cooperation Whilst a major fraction of the book is devoted to water related issues water quality monitoring water and wastewater treatment water based international cooperation and more other sections deal with timely topics relating to air pollution biodiversity conservation and education The book is intended for environmental scientists professionals and students of all disciplines **Kemalism in Turkish Politics** Sinan

Ciddi, 2009-01-13 This book is concerned with Turkey's political evolution the role of Kemalism and why a social democratic alternative has never fully developed Concentrating on the electoral weaknesses of the Turkish centre left represented by the Republican People's Party CHP Sinan Ciddi examines the roles of nationalism and the political establishment and the role of Kemalist ideology Established by Kemal Ataturk the CHP is seen to be the founding party of modern Turkey Kemalism sought to create a secular and democratic society based on the principles of republicanism populism secularism nationalism and revolutionism Although this leftist ideology became an integral part of Turkish politics by the early 1960s it has remained a comparatively weak representative movement Its strong ideological stance advocates an authoritarian and exclusionary position particularly in relation to matters such as multiculturalism and democratisation fuelling many debates concerning the role of religion and nationalism within Turkey and perpetuating elements of xenophobia and intolerance This book will be of interest to students of politics history and current affairs and of Turkish politics in particular [A History of Saudi Arabia](#)

Madawi al-Rasheed, 2002-07-11 Saudi Arabia is a wealthy and powerful country which wields influence in the West and

across the Islamic world Yet it remains a closed society Its history in the twentieth century is dominated by the story of state formation After the collapse of the Ottoman Empire Ibn Sa'ud fought a long campaign to bring together a disparate people from across the Arabian peninsula In 1932 the Kingdom of Saudi Arabia was born Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century through the 1990 Gulf War to the present day She fuses chronology with analysis personal experience with oral histories and draws on local and foreign documents to illuminate the social and cultural life of the Saudis This is a rich and rewarding book which will be invaluable to students and to all those trying to understand the enigma of Saudi Arabia
