Numbering The Stars Phraseological Analysis Of Genesis 15 Coniectanea Biblica Old Testament S

Benjamin Schliesser

Numbering The Stars Phraseological Analysis Of Genesis 15 Coniectanea Biblica Old Testament S:

Abraham's Faith in Romans 4 Benjamin Schliesser, 2007 The concept of faith is at the core of Paul's theology and the classic passage for his understanding of pistis is Genesis 15:6 After discussing the history of scholarship on the Pauline concept of faith Benjamin Schliesser explores the literary tradition historical and structural questions of Genesis 15 and offers a detailed exegesis of verse 6 with its fundamental terms count righteousness and believe He then points to the theological significance of this testimony on Abraham for the Jewish identity it comes into sight in a multifaceted and nuanced process of reception from later Old Testament texts Psalm 106 Nehemiah 9 to a broad array of literature from Second Temple Judaism Septuagint Sirach 44 Jubilees 14 4QPseudo Jubilees 4QMMT 1 Maccabees Philo In the final and most substantial step he asks about Paul's hermeneutics of faith How does Paul in his exegesis of the Genesis quote in Romans 4 come to view Abraham as the father of all believers What is the concept of faith that he develops on the basis of Genesis 15:6 Taking into account the manifold textual and thematic links between Romans 4 Romans 3:21-31 and Romans 1:16-17 a unique twofold structure of faith discloses itself Pistis designates first a divinely established sphere of power i.e. a new christologically determined salvation historical reality and second human participation in this reality i.e. individual believing in the community of believers Particularly the first aspect is generally overlooked in modern scholarship Numbering the Stars Hallvard Hagelia, 1994

Biblical Narratives, Archaeology and Historicity Emanuel Pfoh, Lukasz Niesiolowski-Spanò, 2019-11-14 This volume collects essays from an international body of leading scholars in Old Testament studies focused upon the key concepts of the question of historicity of biblical stories the archaeology of Israel Palestine during the Bronze and Iron Ages and the nature of biblical narratives and related literature As a celebration of the extensive body of Thomas L. Thompson's work these essays enable a threefold perspective on biblical narratives Beginning with method the contributors discuss archaeology cultural memory epistemology and sociology of knowledge before moving to history historiography and archaeology and close analysis of the Qumran Writings Josephus and biblical rewritings Finally the argument turns to the narratives themselves exploring topics including the possibility of invented myth the genre of Judges and the depiction of Moses in the Qur'an Presenting an interdisciplinary analysis of the historical issues concerning ancient Israel Palestine this volume creates an updated body of reference to fifty years worth of scholarship
