From Gods to God Yair Zakovitch,Avigdor Shinan,2012-12-01 Published by the University of Nebraska Press as a Jewish Publication Society book **Count God In** Loren F. Bliese,2018-03-09 This study of Song of Songs uncovers many patterns related to the numerical value twenty six and related numbers for the divine name YHWH Patterns are so unique that they clearly show authorial intent They involve the numerical value of root forms of words their sequences and their totals in the book The beloved man is highlighted by special patterns which indicate that a typology for God is intended Deer names in the refrain have number patterns that confirm intention for being circumlocutions for divine names The disputed presence of the divine name YH in 8 6 is confirmed by the value of its full word One of the most striking patterns found with the help of a computer is that the totals of root words are all arranged to point to theological numbers in a beautiful intricacy Besides describing these patterns this study discusses numerical competence within a proposed Hebrew literary circle and what steps they might have gone through to create these amazing phenomena These theological numbers confirm intentionality for allusions to the Hebrew Bible and support a hermeneutic of spiritual applications A literary analysis of each poem focuses on the use of numbers among other features of prominence *Bible Bulletin* Dale Russell Bowne,2002-03 This resource provides significant amounts of Bible information in brief capsules and is formatted for reproduction as bulletin inserts or in newsletters Eerdmans Commentary on the Bible: Numbers Philip J. questions of what defines a nation and how a nation should govern itself Considered by some the most important book in the Hebrew Bible Exodus tells the story of the Jewish people from their enslavement in Egypt through their liberation under Moses s leadership to their covenantal founding at Sinai and the building of the Tabernacle In Kass s analysis these events begin the slow process of learning how to stop thinking like slaves and become an independent people The Israelites ultimately found their nation on three elements a shared narrative that instills empathy for the poor and the suffering the uplifting rule of a moral law and devotion to a higher common purpose These elements Kass argues remain the essential principles for any freedom loving nation today **KJV Life Application Study Bible, Third Edition (Leatherlike, Peony Lavender, Red Letter)** Tyndale,2023-03-07
