W. Grant, 2017-09-23 Please see the description for this title below But first Our promise All of our works are complete and unabridged As with all our titles we have endeavoured to bring you modern editions of classic works This work is not a scan but is a completely digitized and updated version of the original Unlike many other publishers of classic works our publications are easy to read You won't find illegible faded poor quality photocopies here Neither will you find poorly done OCR versions of those faded scans either with illegible words that contain all kinds of strange characters like % but there has been no attempt to develop this correspondingly In the nature of the book it is but an introduction for which purpose much enlargement would rather injure it than otherwise May the Lord be pleased still to use it for the help of students of the inspired Word **The Numerical Structure of the Holy Bible** Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study *The Numerical Structure of Scripture* Frederick William Grant, 1887 **The Numerical Structure of Scripture** F.
