**The Wedding Pact** Ruth Ann Nordin, On her 21st birthday Ophelia was due to marry her guardian Only she didn't know it Miss Ophelia Crowe has led an extremely sheltered life After her parents died when she was five she went to live at her guardian's country estate She went on to live a life where everything was managed for her From what she could wear to what activities she could do each and every day had been carefully structured by the servants The problem was she didn't know who her guardian was Until the morning of her 21st birthday when the maids present her to him looking more like a doll than a lady who would like to have a say in her future And a doll is exactly the way he treats her She comes to realize just how much he's structured her life so that she's been trained to be the kind of wife he wants Well

she s decided she won t marry him In a bold move she runs off on a horse in the night in order to escape the fate everyone has set out for her ever since she was a child All Vicar Julian Roskin wants is to lead a quiet life He s caused enough trouble in the past He doesn t need any more problems But late one night his safe and predictable world is turned upside down when a beautiful young lady ends up on his doorstep in need of protection Protection in this case will require him to marry her Reason tells him not to do it Nothing good can come from marriage to a lady he doesn t know anything about But something about her demands he take her up on her offer Dare he take the risk or should he do everything he can to send her back This is loosely inspired by the Little Red Riding Hood story      **The Wrangler's Wedding Pact** Kate Barker,2022-06-28 He needs

Kelly,2004-01-30 Spicing erudition with wit Professor Kelly takes a new look at medieval attitudes toward love sexuality and marriage and he corrects a number of long standing misconceptions embodied in the concept of courtly love Through a close examination of canon law the common practice of clandestine marriage writings on mysticism and medieval poetry particularly Gower's Confessio amantis and Chaucer's romances and their sources he concludes that medieval lovers favored matrimony and did not consider sexual passion incompatible with virtue His evidence contradicts the theory closely associated with C S Lewis that extramarital love was preferred in the Middle Ages and that the sexual pleasures celebrated by poets were necessarily regarded as immoral by society at large By placing religious and cultural conventions in their proper context Professor Kelly shows that the hopes and fears of medieval lovers were much the same as those of lovers of all other ages      **St. Augustine on Marriage and Sexuality** Saint Augustine (of Hippo),1996 Augustine of Hippo b A D 354 is considered the single most
