Care Service Management Marie Eloïse Muller, Marie Muller, Marthie Bezuidenhout, Karien Jooste, 2006 This comprehensive management manual brings together a holistic philosophy of health care, an overview of good business practices and guidelines for compliance to national and international hospital accreditation standards. Chapters cover conceptual frameworks for health service delivery, strategic planning, good governance, financial management, human resource management, and continuous quality improvement. The philosophy of Ubuntu, the African notion that everyone in a community is responsible for the welfare of its members, is also discussed as a necessary consideration in all health care decisions.

Nursing Leadership and Management Denise M. Korniewicz, 2015-04-06 Provides a practical approach to leadership and management principles specific to clinical settings. Coverage includes clinical decision making, technology to improve patient outcomes, and leadership and management practice in interprofessional healthcare delivery. Multiple case studies. This textbook is intended for students preparing as advanced practice nurses, doctoral physical therapists, doctoral pharmacists, and other advanced practice professionals. The book provides practical approaches to the application of leadership and management principles while systematically presenting the content needed for skilled leadership in varied clinical settings. Chapters are devoted to leadership change, understanding health organizations and systems, technology to improve population based care, using critical thinking principles to improve patient outcomes, clinical decision making using evidence based practice, and interprofessional healthcare delivery. Telehealth and the impacts of the Affordable Care Act are also discussed. A case study is presented at the beginning of each chapter and incorporated into the theoretical material as a continuing illustration. *Nursing Leadership* John Daly, Sandra Speedy, Debra Jackson, 2003 *Nursing Leadership* covers
