Nursing And Social Policy Care In Context:

Nursing and Social Policy Pippa Gough, Sian Maslin-Prothero, Abigail Masterson, 1994-01-01 **Placement Learning in Community Nursing** Jane Harris, Sheila Nimmo, 2013-03-21 Worried about your placement Will you fit in Will you have the right skills What do you need to learn for practice assessments This book will help you with all these concerns It will tell you what to expect from the placement what you can learn how to link theory and practice and how to make the most of your learning opportunities A logical step by step approach to preparing for a medical placement Helps make the most of learning opportunities Narratives from other students describe what the placement will really be like Honest discussion of the challenges of a placement in the community to help avoid problems Advice on possible approaches to situations that may arise on a community placement Series features A unique guide to getting the most from clinical placements What to expect before a placement What you can expect to learn on placement How to consolidate your experience and learning Clear links and examples with NMC proficiencies Guidance on what to use as evidence for portfolios Short case studies to link theory with practice Key points reminder boxes Nursing's Social Policy Statement American Nurses Association, 2010 Text articulates the role of nursing in the U S and its relationship with society its contribution to health care and its obligation to those receiving nursing care Defines nursing identifies the scope of its practice and describes the profession s knowledge base and ways of regulation Previous edition c1995 Softcover DNLM Philosophy Nursing **Power and Conflict Between Doctors and Nurses** Maureen A. Coombs, 2004-02-24 Through observations in three intensive care units this book draws on the reality of practice to explore how nurses and doctors work in intensive care settings It examines the power held by the competing knowledge bases the roles of the different professions the decision making process the sources of conflict the need for change Drawing together sociological theories and clinical practice *Power and Conflict Between Doctors and Nurses* explores the role of nurses in delivering contemporary health care It makes a strong case for interdisciplinary working and is particularly timely when health care policy is challenging work boundaries in health care Managing Care in Context Jeanette Henderson, Dorothy Atkinson, 2003 *Managing Care in Context* looks at the different contexts in which care takes place considering the impact of policy practice and organizational contexts on managers Care Homes in a Turbulent Era Pat Armstrong, Susan Braedley, 2023-08-14 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com This thoughtful book provides a refreshing comparative perspective on the future of care homes in our post pandemic world Building on more than a decade of collaborative international and interdisciplinary research in Canada Germany Norway Sweden the UK and the US it employs a feminist political economy framework to address the key challenges facing care homes in this turbulent era , Care Judith Phillips, 2007-09-24 This highly accessible introduction to the concept of care maps out and unravels the complex debates that surround the theory and practice of care in today s world Practice scenarios and case studies appear throughout to

encourage the reader to reflect on professional issues Analyzing Social Policy Mary Katherine O'Connor, F. Ellen Netting, 2011-02-02 From formulation to implementation an approach to the analysis of social policy through the lens of research Analyzing Social Policy prepares professionals and students to make better informed decisions related to identifying and understanding the intricacies and potential impact of social policymaking and enactment on their organization as well as their individual responsibilities goals and objectives Authors Mary Katherine O'Connor and F. Ellen Netting thoroughly examine various approaches to the analysis of social policies and how these approaches provide the knowledge multiple perspectives and other resources to understand and grasp the nuances of social policy in all its complexity Comprehensive and based on research Analyzing Social Policy explores An overview of the practice of social policy analysis The role of research in guiding policy analysis The idea of policy analyses as research Themes assumptions and major theories that undergird rational models of policy analysis Nonrational themes assumptions and major theories informing nontraditional interpretive and critical approaches to policy analysis Strategies for applying selected models and approaches when engaging in policy analysis as research Providing practitioners and students with a set of tools that can be used to enhance an understanding of what constitutes policy as well as acceptable standards for critical analysis of policy this resource enables policy advocates regardless of their level to be political strategic and critical in their work **Social Care Practice in Context** Malcolm Payne, Lena Dominelli, 2008-10-06 In this clear and insightful book best selling author Malcolm Payne analyses the major elements of social care practice explaining how caring and social work skills and values are crucial to effective social care Through theory research evidence and skill development Payne identifies the varying contexts in which social care takes place the agencies that provide it and the relationships at its heart The book explains the key practical social care skills How to be receptive to users and carers own understanding of their needs How to develop continuity in service provision How to use effective interpersonal engagement with users and carers to ensure a positive future for them in which they have as much control over their care as possible How to work in partnership with colleagues and other agencies With practice and case examples research boxes further reading and reflection activities this book is a stimulating read for social work and community care students and practitioners The Affordable Care Act and Medicare in Comparative Context Eleanor D. Kinney, 2015-07-20 Burdened with perennially rising costs and responsible for providing health insurance to more than one sixth of all Americans Medicare in its original form is fiscally and demographically unsustainable In light of dramatic reforms under the Affordable Care Act ACA this book provides a comprehensive overview of the current state of Medicare Eleanor D. Kinney explains how the ACA addresses systemic problems of cost and volume inflation quality assurance and fraud Recognizing the potential for more radical change in the future Kinney also explores the potential of Medicare to become a single payer system Comparisons are made with national health systems in Canada and the United Kingdom from which the United States can draw valuable lessons An approachable yet comprehensive account of Medicare

and the ACA this book will be invaluable for health care professionals and informed citizens *Social, Technological and Health Innovation: Opportunities and Limitations for Social Policy, Health Policy, and Environmental Policy* Andrzej Klimczuk, Magdalena Klimczuk-Kochańska, Jorge Felix, 2022-11-09 Abstract This Research Topic focuses on both strengths and weaknesses of social innovation technological innovation and health innovation that are increasingly recognized as crucial concepts related to the formulation of responses to the social health and environmental challenges Goals of this Research Topic 1 to identify and share the best recent practices and innovations related to social environmental and health policies 2 to debate on relevant governance modes management tools as well as evaluation and impact assessment techniques 3 to discuss dilemmas in the fields of management financing designing implementing testing and maintaining the sustainability of innovative models of delivering social health and care services and 4 to recognize and analyze social technological and health innovation that has emerged or has been scaled up to respond to crisis situations for example a pandemic of the COVID 19 coronavirus disease **The Changing Context of Social-health Care** Helen Rehr, Gary Rosenberg, 1991 This invaluable text addresses the social organizational approach to education in present day academic health centers The many changes in the provision of health services that are a result of the reallocation of government resources are discussed Recommendations for health care policy practice and the education of health care professionals and consumers are presented Students in health care professions will benefit from this extensive evaluation of the changing health care environment and its implications for both providers and consumers Professors and educators will find this insightful volume helpful in assisting students in health care services to assess the present relationship between administrators and patients and the changes that must be instigated in order to offer affordable quality delivery of health services This significant volume provides guidance for such vital problems as determining which social health issues are most critical today what changes result from government policies on consumers and providers and what our social health policies services research and educational directions should be for the future Students in the health care professions at the college level doctors health care administrators and educators social workers nurses medical sociologists and economists will value *The Changing Context of Social Health Care* as a key to understanding how the relationship between health care providers and consumers must be carefully developed to provide quality health care for future generations *Rights, Risks and Responsibilities* Georgina Koubel, Hilary Bungay, 2012-03-12 Taking an interprofessional focus to reflect modern practice this book introduces the complexity of balancing rights and risks It helps readers to understand and evaluate their own values knowledge and power in order to provide safer more effective care for those they work with including vulnerable adults and children *Interpersonal Relationships - E-Book* Elizabeth C. Arnold, Kathleen Underman Boggs, 2013-09-27 Acclaimed for its strong theoretical framework and consistent organization Arnold and Boggs *Interpersonal Relationships Professional Communication Skills for Nurses* 6th Edition remains the definitive resource in developing effective communication with

clients families and colleagues in order to achieve treatment goals in health care This two time AJN Book of the Year award winner is thoroughly updated and includes current references describing how to modify communications strategies for various populations and situations including children the elderly end of life health teaching stress crisis and colleagues Two new chapters address issues in contemporary health care related to promoting health safety and supporting continuity of care Not only does this book present proven communications strategies and principles in nursing psychology and related theoretical frameworks but also it challenges you to apply these strategies and principles to numerous exercises and practical nursing case studies Written in terms of the nurse client relationship the cutting edge communications strategies presented are key for nursing students and professional nurses Covers all mandated topics for nursing professionals from beginning students to staff development in a variety of settings including professional collaboration health team communication patient centered care safety and hand off communication Discusses nursing behavioral developmental family and communication theories providing an essential foundation and a theoretical perspective of effective communication Offers basic concepts first followed by applications with emphasis on assessment providing a sound framework as you prepare for nurse client interactions Experiential exercises offer the opportunity to practice observe and critically evaluate your professional communication skills in a safe learning environment Critical Thinking Exercises promote critical thinking processes essential for effective communication in nursing practice Includes case examples throughout creating empathy for clients perspectives and needs Offers Ethical Dilemma and Developing an Evidence Based Practice boxes in each chapter Describes how best to use the electronic health record for clear communication with current information on classification systems standards of documentation and telehealth technologies used in nursing Acknowledges humor gender and touch as important means of communication in interpersonal relationships Increases awareness of the issues involved in communicating with individuals of various stages of life clients with special needs and colleagues in all areas of health care Provides learning objectives chapter overviews and a detailed glossary all designed to focus your learning and help you organize key content

Managing in Health Care Lesley Dowding, Jill Barr, 2018-10-08 Appropriate for health administrators in departments of sociology social policy and nursing Students in pre registration programmes and those meeting management theory for the first time There can be little doubt that the reforms of the last few decades within the health service have had a major impact on the management responsibilities for nurses midwives and health visitors Integrating management theory and principles with nursing practice Managing in the Healthcare demonstrates how the concepts and principles of management are intrinsically linked to the work that nurses do Feminist Ethics and Social Policy Rianne Mahon, Fiona Robinson, 2011-08-25 As national borders become more permeable women are increasingly travelling from poor to rich countries to take up jobs as care workers The struggle to maintain a healthy work care balance in Western nations is creating a care deficit in the developing world This volume links ethics to the social politics of care by

examining the implications of the feminization of migrant labour and the shortcomings of social policy From Canada to Sweden and from Korea to Japan renowned and emerging scholars reveal that a truly feminist ethics of care must be grounded in the concrete lives of real people working in transnational webs of social relations **Ageing in Contexts of Migration** Ute Karl,Sandra Torres,2015-08-20 Population ageing and the globalisation of international migration are challenging the research agendas of social scientists around the world and posing numerous challenges for policy makers and practitioners whose goal is to formulate and design high quality and user friendly policies and services Both of these phenomena have brought for example attention to the fact that more and more people around the world are ageing in countries other than those where they were born The fact that elderly care sectors around the world need to recruit staff if they are to handle the growing number of older people that will need their services is also something that has been discussed when population ageing and the globalisation of international migration have been debated The elderly care sector s reliance on people with migrant backgrounds has namely increased as a result of these phenomena This collection is therefore situated at the intersection of ageing and migration studies and takes into account the various issues with which this intersection is concerned The chapters in this volume are written by established researchers in the field of ageing and migration around the world The collection explores these issues in three sections Elderly care regimes and migration regimes national perspectives Ageing in contexts of migration a multifaceted phenomenon Elderly care and migration The expert contributions in this volume address the array of issues associated with the study of ageing old age and elderly care in contexts of migration Health planning reports subject index United States. Health Resources Administration,1979
