Nursing Home Organization And Efficiency Profit Versus Non Profit

Christian Drosten

Nursing Home Organization And Efficiency Profit Versus Non Profit:

Nursing-home Organization and Efficiency Michael Koetting,1980 **Nursing-home Organization and Efficiency** Michael Koetting,1980 **The Nonprofit Sector** Walter W. Powell,Richard Steinberg,2006-01-01 Provides a multi disciplinary survey of nonprofit organizations and their role and function in society This book also examines the nature of philanthropic behaviours and an array of organizations international issues social science theories and insight **Housing and Planning References** ,1980 [The US Nursing Home Industry](#) Robert A Giacalone,2015-04-08 An in depth analysis of the nursing home industry in America its past present and future It focuses on the business aspects of the industry and provides a detailed examination of the main issues concerning all nursing homes trends in health care expenditures the legislative history of the industry growing demand for care and how to measure it the present structure of the industry funding and financing concerns government regulation inter industry competition and opportunities for growth global comparisons and public policy considerations *The taxexempt hospital sector : hearing before the Committee on Ways and Means, U.S. House of Representatives, One Hundred Ninth Congress, first session, May 26, 2005.* ,2006 **Elder Care Catastrophe** Jason Ulsperger,J. David Knottnerus,2015-12-03 Portraying people who have lived and worked in long term nursing home facilities Elder Care Catastrophe reveals how organizational dynamics and everyday rituals have unintentionally led to resident neglect and abuse Backed up by research and grounded in sociological theory this book offers alternative models for lessening the maltreatment of people living in nursing homes It provides critical information for family members struggling with nursing home issues nursing home employees policy makers students and researchers concerned with elder care issues *Bureaucratic Culture and Escalating World Problems* Bernard S Phillips,J. David Knottnerus,2015-12-03 On the fiftieth anniversary of the publication of *The Sociological Imagination* by C Wright Mills the bureaucratic ethos that he described continues to define our world more than ever before In *Bureaucratic Culture and Escalating World Problems* eleven contributors systematically continue and develop Mills broad vision of the scientific method They analyse escalating bureaucratic barriers that prevent us from solving our many pressing social environmental and economic problems **Handbook of Research on Nonprofit Economics and Management** Bruce A. Seaman,Dennis R. Young,2018-06-29 Building on the success of the first edition this thoroughly revised and expanded edition explores 1 areas of general agreement from previous research 2 areas of conflicting results and unexplored questions 3 the relative roles of theory data availability and empirical analysis in explaining gaps in our knowledge and 4 what must be done to improve our knowledge and extend the literature Selected original chapters addressing especially challenging topics include the value of risk management to nonprofit decision making nonprofit wages theory and evidence the valuation of volunteer labor property tax exemption for nonprofits when is competition good for the third sector and product diversification and social enterprise international perspectives the application of experimental research and the macroeconomic effects of the

nonprofit sector **The Tax-exempt Hospital Sector** United States. Congress. House. Committee on Ways and Means, 2006 **For-Profit Enterprise in Health Care** Institute of Medicine, Committee on Implications of For-Profit Enterprise in Health Care, 1986-01-01 This book is the most authoritative assessment of the advantages and disadvantages of recent trends toward the commercialization of health care says Robert Pear of The New York Times This major study by the Institute of Medicine examines virtually all aspects of for profit health care in the United States including the quality and availability of health care the cost of medical care access to financial capital implications for education and research and the fiduciary role of the physician In addition to the report the book contains 15 papers by experts in the field of for profit health care covering a broad range of topics from trends in the growth of major investor owned hospital companies to the ethical issues in for profit health care The report makes a lasting contribution to the health policy literature Journal of Health Politics Policy and Law *Current Catalog* National Library of Medicine (U.S.), 1980 Includes subject section name section and 1968 1970 technical reports **Health Care Financing Review** , 1991 Hearing Aids and the Older American United States. Congress. Senate. Special Committee on Aging. Subcommittee on Consumer Interests of the Elderly, 1974

Introduction to Health Care Management Sharon B. Buchbinder, Nancy H. Shanks, Rachel Rogers, 2025-01-29 Covering a range of healthcare settings Introduction to Health Care Management Fifth Edition provides a solid orientation to management in the health care discipline Written for students just entering the field this reader friendly text is filled with examples designed to engage the reader's imagination while addressing the important issues in healthcare management such as ethics cost management strategic planning and marketing information technology human resources and more The new Fifth Edition integrates population health and information management throughout and offers new coverage of artificial intelligence AI the lasting impact of COVID 19 and concepts and issues of diversity equity and inclusion DEI Many of the cases and exercises are new or significantly updated to reflect current healthcare management challenges while research resources and references have been updated throughout Key Features Extensively updated with new information and data while chapter organization remains consistent to prior edition New and updated examples and case studies cover an assortment of healthcare management topics in a wide variety of settings Unparalleled instructors resources include updated test banks now with short essay questions and answer rationales PowerPoint presentation slides and instructor manual with discussion questions sample syllabi and more A case study guide with rubrics for evaluation of student performance enable instructors at every level of experience to hit the ground running on that first day of class Navigate Advantage Access included with the text provides access to a comprehensive and interactive eBook student practice activities and assessments and more **Matching Resources to Needs in Community Care** Bleddyn Davies, David Challis, 2018-08-09 First published in 1986 Matching Resources to Needs describes the PSSRU's community care approach and analyses the first of the community care projects a seminal set of experiments in the care of the elderly at high risk of institutional long term care

The experiments create field structures which provide incentives to improve efficiency decentralised power over resources being balanced by enhanced accountability The first part explains the approach analyses the causes of inefficiency in British social care and reviews British and American evidence about the relationships between resources recipient characteristics and outcomes The approach is compared with some two dozen American experiments hitherto unknown in the UK It describes the design of the project and its evaluation The authors then examine the experimental results They show that cost and welfare effects are better and the costs of outcomes are lower for recipients of community car The third part of the book uses observational and other data to explore the relationships between structures assumptive worlds causal processes and outcomes and their costs It also analyses the performance of the core tasks of entrepreneurial case management for types of case The book concludes with a discussion of the broader implications of this approach to community care

Physicians and Management in Health Care Montague Brown,1992 Critical to an organization s success is its relationships with physici ans This collection of articles presents a wide range of approaches to strengthening physician relationships With information on performance physician data physician organizations practice valuation physicians as managers and entrepreneurs and more this volume explores t he core issues of physicians working in with and for health care org anizations

Literature Search National Library of Medicine (U.S.),1984 *Policy Analysis and Economics* David L. Weimer,2012-12-06 Long before policy analysis emerged as a separate profession with its own graduate schools economists offered advice about government policies Positive economics provides the tools for predicting the impacts of prop osed policies normative economics especially welfare theory offers a framework for valuing the impacts of policies in terms of efficiency and simple notions of equity With the expansion of economic theory into ever wider fields of human behavior it is no wonder that economists have prominence as teachers and practitioners of policy analysis Indeed many economists see policy analysis as essentially applied economics Though other social scientists might object to this somewhat parochial view economics and policy analysis share much in commom in terms of develop ment and prospects The purpose of this volume is to trace these interrela tionships and explore the tensions that they create Tensions arise for several reasons Changes in the discipline of econ omics affect the findings methods and personnel offered to policy analy sis For example on the one hand the new institutional economics appears to be extending the influence of economists to questions involving nonmarket oranizations while on the other hand the apparently growing emphasis within the economics profession on creating rather than empir ically testing theory suggests that fewer of the best young scholars will be drawn to policy relevant research Within the schools of policy analysis the drift toward public management may reduce the demand for traditional economic training
