Power to Rise James E. Neufeld, 1996 Power to Rise is the first fully documented account of the artistic and organizational history of this remarkable Canadian cultural institution Based on archival sources many hitherto unavailable of the National Ballet of Canada and the National Archives of Canada the book includes first hand accounts of more than fifty of the personalities closely associated with the company throughout its life In Power to Rise we learn of the inhospitable environment in which the National Ballet struggled to establish itself of its close calls with bankruptcy and of its evolution into a full fledged professional company We witness the events that led to Franca's arrival from England the uncompromising and often controversial idealism of her artistic leadership the company's dramatic and sometimes perilous growth to a level that prompted the greatest dancers of the age among them Rudolf Nureyev and Erik Bruhn to come to work with company's own stars including Karen Kain and Veronica Tennant The text is illustrated with over 140 photographs drawn from the

company's enormous archives as well as from private sources that re-create the characters, settings, moods, and artistry of the company.

The Washingtonian, 1971-12 Passion to Dance James Neufeld, 2011-10-23 This is the story of the National Ballet of Canada: the people, the determination, and how at sixty it is still creating new work while still representing the classics. *Passion to Dance* is the story of the National Ballet of Canada: the people who dreamt the company into existence; the determination needed to keep it afloat; the bumps on the road to its success; and above all, its passion for dance as a living, evolving art form. From catch-as-catch-can beginnings, borrowed quarters, tiny stages, enormous dreams, the National Ballet has emerged as one of North America's foremost dance troupes. The company at sixty is a company of its time, engaged in creating challenging new work yet committed to maintaining the classics of the past: favourites like *Swan Lake*, *The Nutcracker*, and *The Sleeping Beauty*. One hundred and fifty photographs from the company's archives illustrate this definitive history, filled with eyewitness accounts, backstage glimpses, and fascinating detail. This is a record of one of Canada's boldest cultural experiments: a book to enjoy now and keep forever.

The Children's Book A. S. Byatt, 2009-10-06 NATIONAL BESTSELLER MAN BOOKER PRIZE NOMINEE From the Booker Prize-winning bestselling author of *Possession*, a story that spans the Victorian era through World War I about a children's author and the passions, betrayals, and secrets that tear apart the lives of her family and loved ones. Majestic. Dazzling. Wonderful. *The San Francisco Chronicle*: When children's book author Olive Wellwood's oldest son discovers a runaway named Philip sketching in the basement of a museum, she takes him into the storybook world of her family and friends. But the joyful bacchanals Olive hosts at her rambling country house and the separate private books she writes for each of her seven children conceal more treachery and darkness than Philip has ever imagined. The Wellwoods' personal struggles and hidden desires unravel against a breathtaking backdrop of the cliff-lined shores of England to Paris, Munich, and the trenches of the Somme as the Edwardian period dissolves into World War I and Europe's golden era comes to an end.

Programs Chicago Symphony Orchestra, 1921 The National Union Catalog, 1968-1972, 1973 Todd Bolender, Janet Reed, and the Making of American Ballet Martha Ullman West, 2021-05-18 Martha Ullman West illustrates how American ballet developed over the course of the twentieth century, from an aesthetic originating in the courts of Europe into a stylistically diverse expression of a democratic culture. West places at center stage two artists who were instrumental to this story: Todd Bolender and Janet Reed. Lifelong friends, Bolender (1914-2006) and Reed (1916-2000) were part of a generation of dancers who navigated the Great Depression, World War II, and the vibrant cultural scene of postwar New York City. They danced in the works of choreographers Lew and Willam Christensen, Eugene Loring, Agnes de Mille, Catherine Littlefield, Ruthanna Boris, and others who West argues were just as responsible for the direction of American ballet as the legendary George Balanchine and Jerome Robbins. The stories of Bolender, Reed, and their contemporaries also demonstrate that the flowering of American ballet was not simply a New York phenomenon. West includes little-known details about how

Bolender and Reed laid the foundations for Seattle's Pacific Northwest Ballet in the 1970s and how Bolender transformed the Kansas City Ballet into a highly respected professional company soon after Passionate in their desire to dance and create dances Bolender and Reed committed their lives to passing along their hard won knowledge training and work This book celebrates two unsung trailblazers who were pivotal to the establishment of ballet in America from one coast to the other
