Nuts & Bolts Issues for Small Group Leaders William J. McKay, 1996 **Forthcoming Books** Rose Arny, 1997 **Nuts & Bolts Issues for Small Group Leaders** William J. McKay, 1996 *Subject Guide to Books in Print*, 1971 Book Review Digest, 1980 **Paperbound Books in Print**, 1992 **Working Woman**, 1981 **Nuts and Bolts Issues for ChristCare Group Leaders** William J. McKay, 1995-02-01 **Simple Small Groups** Bill Search, 2008-09-01

Over the past two decades small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church. Many evangelical churches have some form of small groups ministry in place. But there's just one problem, says Bill Search: what started as a simple get-together has become a complicated process, especially for small group leaders. They are often not sure what is expected of them or what to expect from their groups as a result of their efforts. In *Simple Small Groups*, Search lays out the three C's of small groups: connecting, changing, and cultivating. This paradigm helps to simplify leading small groups in a way that is helpful, rewarding, and life-changing. Unlike many other books geared toward small group leaders, *Simple Small Groups* does not require a church-wide adoption of an intricately designed system of assimilation, making it useful to any small group leader looking for guidance.

Building a Life-Changing Small Group Ministry Bill Donahue, Russ G. Robinson, 2012-04-03

Like nothing else, small groups have the power to change lives. They are the ideal route to discipleship, a place where the rubber of biblical truth meets the road of human relationships. However, church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church, and they struggle with understanding and solving the root causes of problems. Group Life Resources provide in ebook format the practical tools and training resources needed to develop life-changing small group leaders, coaches to shepherd group leaders, and ultimately a thriving church-wide small group ministry. These resources include the updated and revised versions of the best-selling *Leading Life-Changing Small Groups* and *Coaching Life-Changing Small Group Leaders*, the new *Building a Life-Changing Small Group Ministry*, and the supplemental *Group Life Training DVD*. Appropriate for individual or group study, the books function as manuals and workbooks that teach and allow readers to process and record information as they learn. Downloadable web-based vision clips and supplemental videos in the DVD help readers explore and discuss topics further. Group Life Resources conveniently integrate with the ReGroup™ curriculum, giving trainers the option to use them together.

Bill Donahue and Russ Robinson's *Building a Life-Changing Small Group Ministry* presents a broad introduction for pastors and point leaders to use as they navigate through the process of establishing and developing independent groups or a church-wide ministry of small groups.
