Deconstructing Organized Crime Joseph L. Albini, Jeffrey Scott McIlwain, 2012-09-26 What is organized crime There have been many answers over the decades from scholars governments the media pop culture and criminals themselves These answers cumulatively created a Mafia Mystique that dominated discourse until after the Cold War when transnational organized crime emerged as a pronounced if nebulous threat to global security and stability The authors focus both on the American experience that dominated organized crime scholarship in the second half of the 20th century and on the more recent global scene Case studies show that organized crime is best understood not as a series of famous gangsters and events but as a structure of everyday life formed by numerous political social economic and anthropological variables Instructors considering this book for use in a course may request an examination copy here *Explosives Incidents Report*, 1992 **Weapons of Mass Destruction and Terrorism** Alan O'Day, 2004 The twenty nine articles explore the issue of WMD and key questions raised about terrorism its definition objects motivation whether there is a different species of it emerging in the aftermath of the close of the Cold War preparedness and the means of prevention The conventional low technology terrorism of the past has exercised a social and political impact far out of proportion with the casualties it has caused The massive indiscriminate destruction caused by an act of WMD terrorism similarly would have disproportionate social political economic and strategic effects Department of Homeland Security Appropriations for 2009 United States. Congress. House. Committee on Appropriations. Subcommittee on Homeland Security, 2008 *Police Reserves and Volunteers* James F. Albrecht, 2017-04-21 Reductions in police department funding have raised the importance of volunteers in enhancing organizational performance improving community trust and confidence and at times accomplishing basic tasks to maintain public safety and security During a period when police administrators are asked to do more with less and to engage in smarter community oriented policing citizen volunteers are an invaluable resource *Police Reserves and Volunteers* is an invaluable primer for those looking to understand the benefits and challenges involved in the use of the volunteers within global law enforcement agencies Using cases from a range of specialists and precincts this edited volume provides a rare window into police administration from the state legislation that regulates police reserves in California to the local models observed in many counties and cities across the United States *Police Reserves and Volunteers* offers volunteers local elected officials and law enforcement straightforward guidelines to enhance police goals and build public trust in local communities Saro's Revenge Lucas Starr, 2009-06 *Saro's Revenge* is a suspenseful fast action political thriller It's the first book in the series that begins with four young men influenced by different ideologies which ends in a global catastrophe To destroy the United States Kelly argues with his father over stealing and then crashing his brother's car This fight causes Kelly to come to certain realizations which later leads him to become a leader of an elite group of Special Forces soldiers The paths of Saro Senator Myers and Kelly will cross as Lucas unravels this fast paced plot that involves the President of the United States and Senators from a number of states Power is abused and evil takes over as Saro hatches a plot to assassinate

the Senator from New York After his plan is executed Myers role as a corrupt Senator takes the story s center stage The situation in the U S grows desperate as Saro successfully implements a horrible attack on the United States Kelly s role as a Spec Officer escalates as the quest to save the country becomes the most important thing in the world It s a story of political ideology gone terribly awry under the yoke of one man s desire to take down the world s last superpower It will interest those who enjoy espionage political unrest and domestic terrorism And with something happening on every page with your heart pounding so hard your anxiety at its limits you will not be able to read it fast enough *Statistical Report* New York (N.Y.).
