The Journal of Commonwealth Literature ,1985 **Bearing Witness** Wendy Griswold,2018-06-05 Greed frustrated love traffic jams infertility politics polygamy These together with depictions of traditional village life and the impact of colonialism made familiar to Western readers through Chinua Achebe s writing are the stuff of Nigerian fiction **Bearing Witness** examines this varied content and the determined people who against all odds write publish sell and read novels in Africa s most populous nation Drawing on interviews with Nigeria s writers publishers booksellers and readers surveys and a careful reading of close to 500 Nigerian novels from lightweight romances to literary masterpieces Wendy Griswold explores how global cultural flows and local conflicts meet in the production and reception of fiction She argues that Nigerian readers and writers form a reading class that unabashedly believes in progress rationality and the slow but inevitable rise of a reading culture But they do so within a society that does not support their assumptions and does not trust literature making them modernists in a country that is simultaneously premodern and postmodern Without privacy reliable electricity political freedom or even social toleration of bookworms these Nigerians write and read political satires formula romances war stories complex gender fiction blood and sex crime capers nostalgic portraits of village life and profound explorations of how decent people get by amid urban chaos **Bearing Witness** is an inventive and moving work of cultural sociology that may be the most comprehensive sociological analysis of a literary system ever written **Journal of African Children's & Youth Literature** ,1993

Drunk Stoned Brilliant Dead Rick Meyerowitz,2019-03-15 Reprints and reminiscences from the magazine s first decade Fun to flip through Where would American humor be without the National Lampoon The New Yorker From its first issue in April 1970 the National Lampoon blazed like a comet defining comedy as we know it today To create **Drunk Stoned Brilliant Dead** former Lampoon illustrator Rick Meyerowitz selected the funniest material from the magazine and sought out the survivors of its first electrifying decade to gather their most revealing and outrageous stories The result is a mind boggling tour through the early days of an institution whose alumni left their fingerprints all over popular culture Animal House Caddyshack Saturday Night Live Ghostbusters SCTV Spinal Tap In Living Color Ren if not it will demonstrate that the much maligned 70s could produce humor that has never been surpassed **Vanity Fair Canadian Saturday Night** ,1951-10

Desperate Passage Ethan Rarick,2008-02-04 In late October 1846 the last wagon train of that year s westward migration stopped overnight before resuming its arduous climb over the Sierra Nevada Mountains unaware that a fearsome storm was gathering force After months of grueling travel the 81 men women and children would be trapped for a brutal winter with little food and only primitive shelter The conclusion is known by spring of the next year the Donner Party was synonymous with the most harrowing extremes of human survival But until now the full story of what happened what it tells us about human nature and about America s westward expansion remained shrouded in myth Drawing on fresh archaeological evidence recent research on topics ranging from survival rates to snowfall totals and heartbreaking letters

and diaries made public by descendants a century and a half after the tragedy Ethan Rarick offers an intimate portrait of the Donner party and their unimaginable ordeal a mother who must divide her family a little girl who shines with courage a devoted wife who refuses to abandon her husband a man who risks his life merely to keep his word But Rarick resists both the gruesomely sensationalist accounts of the Donner party as well as later attempts to turn the survivors into archetypal pioneer heroes The Donner Party Rarick writes is a story of hard decisions that were neither heroic nor villainous Often the emigrants displayed a more realistic and typically human mixture of generosity and selfishness an alloy born of necessity A fast paced heart wrenching clear eyed narrative history A Desperate Hope casts new light on one of America s most horrific encounters between the dream of a better life and the harsh realities such dreams so often must confront **Mysteries of Africa** Eugene Schleh,1991 Using the highly popular genre of detective mystery fiction this volume explores the insights available in African centered stories The sample of writings used ranges from the colonial era to the present and covers the work of both Africans and outside observers from Europe and North America **BOOKJACKET** **The God of Shattered Glass** Frank Rogers,2011-01-01 Street Cop is the exciting story of one man s career in Law Enforcement David Spell joined the Gwinnett County Police Department in 1984 at the tender age of twenty one This fast moving narrative takes the reader inside the squad car with David as he patrols some of the most dangerous areas and neighborhoods in Metro Atlanta If you like the TV show Cops you will love Street Cop Get ready for your tour of duty Strap into the passenger seat of David s squad car and enjoy the car chases foot chases fights murder investigations and other assorted crazy calls You are about to see first hand what it is really like on America s mean streets *Zombies Are Us* Christopher M. Moreman,Cory James Rushton,2011-10-10 On the surface the zombie seems the polar opposite of the human they are the living dead we in essence are the dying alive But the zombie is also us Although decaying it looks like us dresses like us and sometimes if rarely acts like us In this volume essays by scholars from a range of disciplines examine the zombie as a thematic presence in literature film video games legal language and philosophy exploring topics including zombies and the environment litigation the afterlife capitalism and the erotic Through this wide ranging examination of the zombie phenomenon the authors seek to discover what the zombie can teach us about being human Instructors considering this book for use in a course may request an examination copy here **The British Film Catalogue** Denis Gifford,2018-10-24 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars
