

I'm From Here

I came fresh into this world
to the beat of drums in the forest.
I cut my teeth,
painless,
on the sounds of laughter unchecked,
and I spoke my first words
in a rush,
feeling them well up inside
until I had no choice
but to sing, sing, sing,
with firelight
dancing in my eyes.

I'm from here.
I was birched in a
puddle of moonlight
dripping through the pines,
and when this
earth reclaims me,
here I shall remain.

Pagan Poems:

Pagan Poems Carolyn Emerick, 2017-02-26 *Pagan Poems* is an illustrated collection of poetry written by Carolyn Emerick. The poetry is inspired by myth and folklore, the beauty of nature, the human senses, and of course love. This collection is the antithesis of modernist styles of poetry. Stylistic influences include classics such as Byron, Poe, and Shakespeare. This will appeal to those who love classical lyrical poetry, rhythm, rhyme, and meter, and to those who love to be transported to misty, other realms of the mind. The volume is richly illustrated in full color to aid in the full aesthetic experience. **Pagan Poems** Franklin Henry Giddings, 1914 **Pagan Poems** Franklin Henry 1855-1931 Giddings, 2025-05-22 *Pagan Poems* is a collection of verse by Franklin Henry Giddings, originally published in 1914. These poems reflect a sensibility attuned to nature and explore themes that resonate with pagan ideals, offering a glimpse into the early 20th-century American poetic landscape. Giddings, better known for his work in sociology, reveals a different facet of his intellectual life through these lyrical expressions. This collection provides insight into the artistic and philosophical interests of a prominent social scientist, showcasing his engagement with the natural world and spiritual themes beyond the realm of academic study. *Pagan Poems* remains a testament to the multifaceted nature of intellectual inquiry and the enduring allure of poetic expression. Taking the reader from the forest to the ocean, from deep winter to summer, it includes verses that show the raw emotions brought on by the abuse of Mother Earth. Other poems such as *Morning Walk with Her* are deeply spiritual. The reader will also find poetry that tells of some of the difficulties that many pagans face in today's society as they follow their much misunderstood religion. *The Oak Grove* also includes two longer, humorous poems. *Jest* uncovers the mystery of a court jester found dead in the roof rafters, minus his hose. *Besom Riding Blues* is a lighthearted romp featuring a naughty young witch whose flying antics leave a lot to be desired. This book is for those who love life, nature, and care about our Mother Earth. **Pure Pagan**, 2007-12-18 For there is indeed something we can call the spirit of ancient Greece, a carefully tuned voice that speaks out of the grave with astonishing

clarity and grace a distinctive voice that taken as a whole is like no other voice that has ever sung on this earth BURTON RAFFEL from his Preface For centuries the poetry of Homer Aristophanes Sophocles Sappho and Archilochus has served as one of our primary means of connecting with the wholly vanished world of ancient Greece But the works of numerous other great and prolific poets Alkaios Meleager and Simonides to name a few are rarely translated into English and are largely unknown to modern readers In Pure Pagan award winning translator Burton Raffel brings these and many other wise and witty ancient Greek writers to an English speaking audience for the first time in full poetic flower Their humorous and philosophical ruminations create a vivid portrait of everyday life in ancient Greece and they are phenomenally lovely as well In short sharp bursts of song these two thousand year old poems speak about the timeless matters of everyday life Wine Wine is the medicine To call for the best medicine To drink deep deep History Not us no It began with our fathers I ve heard Movers and shakers If a man shakes loose stones To make a wall with Stones may fall on his head Instead Old age Old age is a debt we like to be owed Not one we like to collect Frankness Speak As you please And hear what can never Please There are also wonderful epigrams Take what you have while you have it you ll lose it soon enough A single summer turns a kid into a shaggy goat and epitaphs Here I lie beneath this stone the famous woman who untied her belt for only one man The entrancing beauty humor and piercing clarity of these poems will draw readers into the Greeks journeys to foreign lands their bacchanalian parties and ferocious battles as well as into the more intimate settings of their kitchens and bedrooms The poetry of Pure Pagan reveals the ancient Greeks dreams their sense of humor sorrows triumphs and their most deeply held values fleshing out our understanding of and appreciation for this fascinating civilization and its artistic legacy *The Pagan Federation Anthology Of Pagan Poetry* Al Daw,Eleanor Rose,Ben France,2019-12-03 An anthology of poetry written by Pagans from a wide range of paths and backgrounds with 75% of profits going to The Pagan Federation The poetry explores a wide range of themes including deities nature and society Some poems explore adult themes *Words of Light and Midnight* P. B. Owl,2013-09 This is a collected work of poetry You can read it with no previous conceptions or similar experiences to the author s just as people have read poetry for thousands of years At least it is my hope that the mystery imagery color and magic of these pieces can stand on their own in the way that poetry sometimes does and that the best of poetry always does If you want to read this book as a window into a different culture or point of view you can do that too I am a Wiccan Priest and Elder and these works were written from that point of view many of them to meet the specific needs of my church congregation and community A lot of these pieces were written in rhyme or rhythm in part due to the traditional use of these elements in Wiccan liturgy and ceremonial work If you are Pagan or Wiccan many of the pieces here will be familiar in form I have included some specific suggestions on how some of these types of poems can be used by the individual or a group in religious practice I have also arranged them in a rough sort of order as to how they are experienced both in religious practice and then in personal experience I have lit the Candle I have rung the Bell It is up to you to open the Book
