Pageant Of America:

The Pageant of America: The American spirit in architecture, by T.F. Hamlin Ralph Henry Gabriel, 1926 **Here She Is** Hilary Levey Friedman, 2020-08-25 A fresh exploration of American feminist history told through the lens of the beauty pageant world Many predicted that pageants would disappear by the 21st century Yet they are thriving America's most enduring contest Miss America celebrates its 100th anniversary in 2020 Why do they persist In *Here She Is* Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition She traces the role of pageants in many of the feminist movement's signature achievements including bringing women into the public sphere helping them become leaders in business and politics providing increased educational opportunities and giving them a voice in the age of MeToo Using her unique perspective as a NOW state president daughter to Miss America 1970 sometimes pageant judge and scholar Friedman explores how pageants became so deeply embedded in American life from their origins as a P.T. Barnum spectacle at the birth of the suffrage movement through Miss Universe's bathing beauties to the talent and achievement based competitions of today She looks at how pageantry has morphed into culture everywhere from *The Bachelor* and *RuPaul's Drag Race* to cheer and specialized contests like those for children Indigenous women and contestants with disabilities Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies including Miss America's ableist and racist history Trump's ownership of the Miss Universe Organization and the death of child pageant winner JonBenét Ramsey Presenting a more complex narrative than what's been previously portrayed *Here She Is* shows that as American women continue to evolve so too will beauty pageants *The Pageant of America: The American spirit in letters*, by S.T. Williams, 1925 **"There She Is, Miss America"** E. Watson, 2004-09-18 While some see the Miss American Pageant as hokey vestige of another era many remain enthralled by the annual Atlantic City event And whether you love it or hate it no one can deny the impact the contest has had on American popular culture indeed many reality television shows seem to have taken cues from the pageant Founded in 1921 the Miss America Pageant has provided a fascinating glimpse into how American standards of femininity have been defined projected maintained and challenged At various times it has been praised as a positive role model for young American women protested as degrading to women by feminists and shamed by scandals such as the one caused by the Penthouse photos of Vanessa Williams in 1984 In this first interdisciplinary anthology to examine this uniquely American event scholars defend critique and reflect on the pageant grappling with themes like beauty race the body identity kitsch and consumerism *There She Is Miss America* provides a fascinating examination of an enduring American icon **The Pageant of America, a Pictorial History of the United States**, 1925 The Pageant of America: Annals of American sport, by J.A. Krout, 1925 Live from Atlantic City Armando Riverol, 1992 Traces the pageant's history from its inception in 1920 through its emergence as American popular culture icon not only chronicling events but presenting two opposing perspectives on the pageant the pageant as celebration
