Pain What Is It How Do We Deal With It:

Receiving Woman - Studies in the Psychology and Theology of the Feminine Ann Belford Ulanov, We live in a time of unparalleled opportunity for women and a time just because of that opportunity of great stress It is a time when every woman can find her own particular style to develop her skills to acknowledge her needs and failures and to claim both her satisfactions and dissatisfactions The old stereotypes are all but dead But another danger threatens of new stereotyped roles for women in the very range of choices and opportunities presented to the RECEIVING WOMAN grew out of a decade of reflections on women s experiences my own my patients and my students writes Professor Ulanov From all of them a common voice emerged speaking about each woman s struggle to receive all of herself Each was trying to find and put together different parts of herself into a whole that was personal alive and real to her and to others I know that women want to be all of themselves and want to be their own selves not examples of types They want to work out their own individual combinations of what have been called the masculine and feminine parts of themselves This book focuses on that possibility on women receiving themselves all of themselves wisely and gladly *The Key to Everything* Matt Keller,2015-09-29

Change your life when you learn to cultivate the characteristic that is the key to success teachability Charisma wealth power Talent looks smarts Charm guts hard work For eons attributes like these have stood as the surest indicators if not outright guarantees of success in life Not anymore While traditional traits still play important roles a lesser celebrated characteristic has risen to the top of the list teachability In today s rapidly changing world making our mark requires an insatiable desire and a tireless willingness to learn to unlearn and to relearn In short success requires teachability In *The Key to Everything* pastor and leadership consultant Matt Keller unpacks the varied aspects of this essential art drawing on ancient wisdom and modern insights from biblical heroes to current influencers such as John Maxwell Seth Godin and Dr Henry Cloud to show you the critical value of learning as if your lives depended on it For two decades Matt has worked with hundreds of influencers and he has learned that the greatest enhancer or greatest limiter to a person s success is whether someone is teachable With a blend of careful scholarship and comedic wit *The Key to Everything* is filled with stories quotes lessons applications and laugh out loud observations that will transform the way you approach life and leadership Teachability isn t something that some people are born with and others aren t it is a characteristic that you can learn and cultivate The only way to succeed in life is to possess teachability in an ever increasing fashion and *The Key to Everything* will help you begin to develop this essential skill *Saturday: Between Tragedy and Triumph* Paul Hay,2011-03-31
