*Painted Words* Christopher Johnson, 2023-11-08 Craved from our first breath until the last love's splendor guides us toward our salvation Challenging anyone who dares to take on the gauntlet called life From a womb's darkness to the light of day along the end of each we're rocked by love's lullabies beneath stars and dreams Why our circled beginnings starts out as the purest form of having nothing As our tiny hands hold small change growing in the wealth of each embrace Of being overwhelmed by love's warmth and stunned by its chills these seasons come and go From the lessons in how we learn to crawl before you can walk As each step taken allows everyone to find their balance our self worth For love is a priceless piece of art as its hues will take on different emotions We're drawn by each stroke throughout living Of our belief in God family friends goals loss success failure and truth these torches we pass down to our children So permit me this chance of being my model and I will paint you such stories of love Get comfortable in your favorite chair or just lie in your bed snuggled beneath the sheets I shall attempt to turn you up down and around throughout love's magical It's amazing without any strings attached And at its end you may think I was right there the whole time
