Seng then shows how to guide the viewer's eye through the painting to the center of interest using light and shade and a battery of interesting ideas from simplification to amplification. He devotes a chapter to the concepts of harmony, unity, and balance and even shows how to solve problems in finished works. While all this solid art instruction is taking place, Ong Kim Seng never lets the student forget that there is more to a work of art than technique. Multiple step-by-step demonstrations, examples, ideas, inspiring storytelling, and a gallery of gorgeous paintings set the seal on an exceptional book. Book jacket
