The Dynamics of Conflict and Peace in Contemporary South Asia Minoru Mio,Kazuya Nakamizo,Tatsuro Fujikura,2020-12-23 This book engages with the concept true value and function of democracy in South Asia against the background of real social conditions for the promotion of peaceful development in the region In the book the issue of peaceful social development is defined as the conditions under which the maintenance of social order and social development is achieved not by violent compulsion but through the negotiation of intentions or interests among members of society The book assesses the issue of peaceful social development and demonstrates that the maintenance of such conditions for long periods is a necessary requirement for the political economic and cultural development of a society and state Chapters argue that through the post colonial historical trajectory of South Asia it has become commonly understood that democracy is the better if not the best political system and value for that purpose Additionally the book claims that while democratization and the deepening of democracy have been broadly discussed in the region the peace that democracy is supposed to promote has been in serious danger especially in the 21st century A timely survey and re evaluation of democracy and peaceful development in South Asia this book will be of interest to academics in the field of South Asian Studies Peace and Conflict Studies and Asian Politics and Security

Longing for the Lost Caliphate Mona Hassan,2018-08-14 In the United States and Europe the word caliphate has conjured historically romantic and increasingly pernicious associations Yet the caliphate s significance in Islamic history and Muslim culture remains poorly understood This book explores the myriad meanings of the caliphate for Muslims around the world through the analytical

lens of two key moments of loss in the thirteenth and twentieth centuries Through extensive primary source research Mona Hassan explores the rich constellation of interpretations created by religious scholars historians musicians statesmen poets and intellectuals Hassan fills a scholarly gap regarding Muslim reactions to the destruction of the Abbasid caliphate in Baghdad in 1258 and challenges the notion that the Mongol onslaught signaled an end to the critical engagement of Muslim jurists and intellectuals with the idea of an Islamic caliphate She also situates Muslim responses to the dramatic abolition of the Ottoman caliphate in 1924 as part of a longer trajectory of transregional cultural memory revealing commonalities and differences in how modern Muslims have creatively interpreted and reinterpreted their heritage Hassan examines how poignant memories of the lost caliphate have been evoked in Muslim culture law and politics similar to the losses and repercussions experienced by other religious communities including the destruction of the Second Temple for Jews and the fall of Rome for Christians A global history Longing for the Lost Caliphate delves into why the caliphate has been so important to Muslims in vastly different eras and places

Mahatma Gandhi & My Grandfather, Allama Mashriqi

Nasim Yousaf, 2013 I grew up learning from my family and the Khaksars about the role of Allama Mashriqi Mahatma Gandhi Quaid e Azam Mohammad Ali Jinnah and other leaders in the freedom movement of the Indian sub continent And I have dedicated the last seventeen years to research on this topic In this book I seek to share this knowledge with the world My goal is to help unite the human race a vision inspired from the ideals of my beloved grandfather Allama Mashriqi Scholar and Historian Nasim Yousaf In August of 1947 Muslims Hindus Sikhs and others who had lived together peacefully for centuries were torn apart when a united India was divided into Pakistan and India on the basis of the Two Nation Theory This partition led to enormous tragedy as communal riots escalated families were separated innocent victims were murdered and females raped In the years following partition Pakistan and India fought wars over Kashmir and become nuclear armed states Furthermore hostility between the two countries contributed to terrorism poverty and constant instability in the region a situation that persists to this day All of this could have been avoided had there been an alliance between two prominent leaders of the time Allama Mashriqi and Mahatma Gandhi Allama Mashriqi and Mahatma Gandhi shared many similarities both men left their professions behind and dedicated their lives to liberating India from British rule Both adopted a life of simplicity and began their grassroots campaigns in the streets and villages of the country Both were nominated for the Nobel Prize Mashriqi for his monumental work Tazkirah and Gandhi for his non violence and shared a common objective of achieving independence for the nation Yet despite all their similarities they could not reach agreement on Mashriqi s The Constitution of Free India 1946 A C nor were they able to work together to achieve a united independent India Why The answers are contained in this book In Mahatma Gandhi and My Grandfather Allama Mashriqi Mr Yousaf brings together nearly 17 years of exhaustive research of historical documents as well as firsthand knowledge and insights gained from Allama Mashriqi s wife sons daughters and the Khaksars who were part of the freedom movement and witnessed the division
