Pakistans Thrust In The Muslim World:

Pakistan's Thrust in the Muslim World Surendra Chopra,1992 Study of Pakistan s foreign policy with special reference to its membership along with Iran and Turkey in the Regional Cooperation for Development later known as Economic Cooperation Organisation *Political System in Pakistan: The Islamic state of Pakistan : role of religion in politics* Verinder Grover,Ranjana Arora,1995 *India's Saudi Policy* P. R. Kumaraswamy,Md. Muddassir Quamar,2018-09-29 The book traces India s Saudi Policy and locates the current state of bilateral relations and the challenges it faces It argues that during the Cold War the relations were largely shaped by the Pakistan factor which in turn inhibited both sides from exploring the importance and value of one another As a result the relations were largely transactional and marginal The end of the Cold War coincided with two interesting developments namely significant growth in India s economic power and influence and the de hyphenation of Pakistan from its Middle East policy This resulted in greater political engagements between India and Saudi Arabia and was strengthened by the growing energy trade ties For long expatriate population and haj have been the backbone of the relations and they have been new instruments as India looks to enhance its engagements with the Kingdom through investments opportunities political contacts shared security concerns and strategic cooperation India s Saudi policy however face many challenges most importantly the regional instability the Iran factor low oil price and the international dynamics The book will be the first comprehensive work on the India Saudi relations Though targeting a wider audience it will be academically grounded and based on primary sources collected from India and Saudi Arabia

Age of Entanglement Kris Manjapra,2014-01-06 Age of Entanglement explores the connections that linked German and Indian intellectuals from the nineteenth century through the Second World War as they shared ideas formed networks and studied one another s worlds But as Kris Manjapra shows transnational intellectual entanglements are not inherently liberal or conventionally cosmopolitan **America, Britain and Pakistan's Nuclear Weapons Programme, 1974-1980**

Malcolm M. Craig,2017-06-26 This book analyses US and UK efforts to shut down Pakistan s nuclear programme in the 1970s between the catalytic Indian nuclear test of May 1974 and the decline of sustained non proliferation activity from mid 1979 onwards It is a tale of cooperation between Washington and London but also a story of divisions and disputes The brutal economic realities of the decade globalisation and wider geopolitical challenges all complicated this relationship Policy and action were also affected by changes elsewhere in the world Iran s 1979 revolution brought a new form of political Islamic radicalism to prominence The fears engendered by the Ayatollah and his followers coupled to the blustering rhetoric of Pakistani leaders gave rise to the Islamic bomb a nuclear weapon supposedly created by Pakistan to be shared amongst the Muslim ummah This study thus combines cultural diplomatic economic and political history to offer a rigorous deeply researched account of a critical moment in nuclear history **The Military Factor in Pakistan** Ravi Shekhar Narain Singh Singh,2008 Pakistan s politics governance institutional capacities internal and external security and the nation building

process are at a critical juncture The stance of the military thus will be a critical factor in determining the future course of Pakistan Under the prevailing scenario in the country any elected government would need to reestablish the viability and vitality of the state Should it fail the army would be compelled to intervene to save the country from falling apart For an objective and in depth analysis as to how Pakistan has arrived at this critical juncture it is important to delve into the personalities and processes that have shaped the destiny of the country The future of Pakistan is dependent on the flux and interplay of the internal and external processes and compulsions This book therefore traces the military underpinnings in the political geopolitical strategic economic religious sociological and sectarian journey that Pakistan has made over the last sixty years

India-Iran Relations Sujata Ashwarya, 2017-04-21 This book examines India's relationship with Iran since the post World War II period and its unique search for meaningful bilateral ties in the West Asian region The chapters highlight the achievements and constraints on the development of Indo Iranian relations during the Cold War era the bilateral engagements between India and Iran in the aftermath of the Cold War impact of the US factor on the development of crucial Indo Iranian energy ties and the limitation imposed by India's relations with Israel and Saudi Arabia on the India Iran ties Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka
